Cubans Receive Taft's Proclamation Well.

INSURGENT CHIEFS

RECEIVED IT WITH MUCH ENTHUSIASM.

Agree to Proposal to Lay Down Arms—Taft Orders Release of Revolutionary Prisoners—Palma a Private Citizen.

Havana, Oct. 1.—Secretary of War Taft's proclamation, deposing United States intervention, with him as provisional governor, has been well received, thus far, by both parties in Cuba.

Insurgent leaders in the field in Havana province received it on Saturday night, with enthusiasm, and agreed to the proposal to lay down their arms. No trouble is anticipated with the men in the field.

One of Mr. Taft's first acts as governor was to order the release from prison of the revolutionary leaders. This caused great rejoicing among the liberals; the total number of prisoners ordered released was seventy.

Insurgent leaders in the field in Havana province received it on Saturday night, with enthusiasm, and agreed to the proposal to lay down their arms. No trouble is anticipated with the men in the field.

Governor Taft has appointed the following commission to carry out the delivery of the arms: Gen. Funston, president; Major Ladd, Gen. Menocal, Col. Agrimonie, and Col. Hernandez, and Lieut. Mitchell, and Lieut. Burton, Gen. Funston's aides.

Present Palma probably will remain at the palace a few days more as a private citizen, Governor Taft making his headquarters meanwhile at the American legation.

Cleveland, Ohio, Oct. 1.—During a fierce storm, which raged on Lake Erie on Saturday night, three vessels were wrecked, and three lives are known to have been snuffed out. The first boat, to feel the effects of the fierce seas, was the steamer Fayette Brown, bound from Cleveland to Lorain.

When off Lorain harbor, the waves were mountain high and the boat, in trying to make the pier, was swamped. The engine stopped, and the vessel, but the heavy seas and wind swept the boat to the beach, from where the crew were taken off.

SHOT AT ALTAR

When He Was There On Wedding Day.

CRIME OF LONG AGO

A MURDERER HAS AT LAST GIVEN UP.

Eluded Police For Eighteen Years—Was Sent to Insane Asylum After His Trial, But Managed to Make His Escape.

Dublin, Oct. 1.—A man who shot his brother-in-law at the altar on his wedding day has just surrendered to the County Armagh police at Market Hill, after eluding the vigilance of the authorities for eighteen years.

The motive of the crime was vengeance, and the murder was committed under circumstances that have frequently figured in dramatic novels. A sister of the assailant, a man named William Thompson had married a neighbor named Thomas Thompson.

The marriage was an unhappy one, and upon the death of the woman William Thompson asserted that his sister and her husband had been brought about by the husband's ill-treatment, and his resentment was further increased when the husband neglected to attend the funeral.

Some time later Thomas Thompson arranged to be married again at the parish church of Portadown, and William Thompson took a vow of vengeance. Stealing into the church with a gun as the ceremony was proceeding, he took a deliberate aim at the bridegroom as he was standing at the altar, and shot him dead.

The assailant quietly submitted to capture, and as the trial beheld with great eagerness and self-satisfaction. He conducted his own defence, received the sentence of death with great composure, and before his removal, delivered a long speech to the jury.

The murder and trial caused intense excitement throughout Ireland, and soon after the sentence was commuted to one of penal servitude for life. While in prison Thompson was declared to be insane, and was removed to the lunatic asylum at Dunganstown, from his institution, he managed to escape soon after his admission, in the spring of 1888, and since that time he has been seen again by the authorities until he surrendered himself a couple of days ago.

TO BE COURT-MARTIALED.

Gen. Wood is Immune; Capt. Koehler is Not.

Washington, Oct. 1.—The court-martial of Captain Koehler, by direction of President Roosevelt, for his strictures on Wood in his letter asking the secretary of war to set aside the findings of the court-martial and the reprimand administered to him by Wood by direction of the court, was begun to-day. This letter passed through the hands of General Wood, and after reading it, he demanded that Koehler be court-martialed for insubordination.

Under military law the first court-martial cannot be reopened, because the sentence has been executed. There can be no appeal unless the officer is placed in confinement.

Major-General Leonard Wood will not be called upon to defend himself against the allegations of unfair and illegal acts and malice, made by Captain I. M. Koehler, who was court-martialed for preferring charges of incompetency against Major Hugh M. Scott, one of Wood's favorites.

The police visited the farmer's place and found the body, which of eight months old and badly decomposed. The coroner has called an inquest for Wednesday next. Tilley promised Miller to report to the police, but failed to do so.

THE GENESIS GIVEN

OF THE LAND DEAL THAT FIGURED PROMINENTLY

In the I.O.F. Investigation—Lefurgy, M.P. For Prince, P.E. I. the Informant—An Interesting Letter Read.

Toronto, Oct. 1.—A. A. Lefurgy, M.P. for Prince, P.E.I., this morning, gave the royal commission on insurance the genesis of the land deal which has figured so prominently in an investigation into the affairs of the I.O.F. Mr. Lefurgy was one of the large party of conservatives who accompanied R. L. Borden, their leader, on a political tour of the west in 1902. It was on that occasion the idea suggested itself to Rufus T. Pope and Lefurgy that it would be a good speculation to form a combine, buy up wild lands, and hold them for a rise in value.

The correspondence produced showed that some of the combine understood up till a late date in the transaction that Mr. Borden intended joining the combine, but any such intention was not carried out.

A letter from George Fowler to Mr. Lefurgy, which was quoted by Mr. Shepley, indicates the methods by which it was hoped to make a success of the venture. The letter reads: "Dear Lefurgy—We have succeeded beyond our wildest hopes. We wired D. M. and he met us at the train. Toronto, took us to his office and gave us the route so far as located, of course, under cover of the strictest secrecy, so I did not give my name. Borden, Bennett and yourself. We expect to have a wealthy Englishman, named Listen, the head of the Canada Chemical company, and Col. Pallat in the combine with us. We have increased the thing to 200,000 acres.

On arriving here we interviewed Sir Thomas Shaughnessy, and have reason to expect most generous treatment as to terms and price. He said we should get the best that was going. We want to arrange for a meeting these when the party returns to Montreal. Tell Messrs. Borden and Bennett about the meeting. It will be necessary for at least two of us to go this fall, as it could not be done in the spring, and that is one of the things that must be arranged at the meeting. (Signed) G. W. Fowler."

Before Mr. Lefurgy went into the box, W. P. Bull gave evidence, in connection with the sale of the Okanagan lumber company, in which he had a one-tenth interest, that Mr. Fowler, Mr. McCormack and Mr. Irwin told him the sale had been made by the Kamloops Lumber company at a price which would net the shareholders two for one in the investment. He held \$5,000 stock in the company, which had a capital of \$50,000, and Mr. Fowler gave him his personal cheque for \$6,000, and Mr. Bull was relieved from payment of a note for \$4,000, which he had given on account of his stock.

Marines Landed.

Havana, Oct. 1.—A brigade of marines, consisting of seventy-five men, was landed at eight o'clock, this morning, from United States warships. There was no demonstration of any kind. The departure of Senor Palma from Havana has been postponed until to-morrow.

The arbitrators at Hamilton have recommended an increase of pay for the street railway employees. James E. Grindley, 181 Harbour street, Toronto, died from a dose of carbolic acid.

Mayor Courtwright, Toronto, has left for Atlantic City to spend a fortnight there.
