Does Borden Catch On.

The Toronto World, before the last ession of parliament, attacked the eader of the opposition and intimated that he was lacking in appressiveness. During the session Mr. Maclean refrained from personal criticism, but launched his bills, and motions with out consultation with Mr. Borden. Clearly the plan was to make this by act rather than by words.

Mr. Maclean did not succeed very

ime, but it has not changed its tration of the fact that public life im tactics. In the Sunday edition it is
