**A WARM SUBJECT**  
There's nothing in the world we're so  
much interested in as Opal at this time  
of the year. It's found under a  
speck of coal buyer and selling as a  
science, but that's what we've made it.  
The important discoveries we have  
made are that complete satisfaction is  
our customers pay best, and that the  
way to win business is to deserve it.

MR. OZIAL ROUNDS.  
A Resident of Welland  
Finds Relief in Pe-ru-na.

**SUFFERED 15 YEARS.**  
Mr. Ozial Rounds, Welland, Ont., a  
retired lumberman and a resident of  
Welland for half a century, writes:  
"For fifteen years prior to 1909 I  
was a sufferer from hay asthma and  
chronic diarrhoea. I grew weak and  
emaciated and was tortured with in-  
somnia."  
"I was treated by eminent physicians  
but, if anything, was worse than ever.  
In fact, I was in as miserable a condi-  
tion as a man could be."  
"However, I chanced to try *Peruna*  
and noticed an improvement. This  
encouraged, I continued, and after tak-  
ing several bottles of your precious  
*Peruna*, I was entirely well and a  
wonder to myself and friends."  
"At my advanced age, 53 years, I  
have obtained such good results from  
*Peruna*, after so many years of needless  
suffering, there can be no doubt of its  
efficacy in the treatment of younger  
persons."  
"Jungle cane is said to be the best  
material for the top joints of fishing  
rods."  
"William Swain, piano tuner. Orders  
received at McAulay's book store."  
"Try *Bibby's* for boys' school suits."

Barrie, Oct. 1.—The farmers are  
taking advantage of the fine  
weather by taking in their corn and  
potatoes. The whistles of the thresh-

They will be greatly missed around  
here, as they were all well-known and  
helped to make things lively. Ed-  
ward Barr is drawing cement from  
Morton to cement his cow stable. A  
new wire fence is being erected around  
the school yard which will improve  
the appearance of the school. Charles  
Thompson steps around quite proudly  
for a little girl has come to brighten  
up his home. A number from here  
took in the harvest home dinner at  
Salom and were well pleased with the  
day. The re-opening service, on Sun-
