Grand Peninsular"

Is an Ornament to the Home.

Popular taste no longer clings to deeply carved, highly ornamental ranges. People now want rich, yet

simple, elegance. That is the way I make my new Grand Peninsular Range.

The "Grand Peninsular" is easy to keep clean, because there are no deep carvings to collect the dust and dirt. The design is simple but very effective. No fuss or frills. Just smooth surfaces which take a beautiful bright polish.

off without loosening a bolt, when the range is to be brushed or cleaned. Then there is the ALL-STEEL OVEN-the THERMOMETER on the oven door—extra large GRATE BARS—and a dozen other time-and-labor-savings conveniences—that are exclusive with my GRAND PENINSULAR.
