ASTIRRING CALL MADE TO SUNDAY SCHOOL WORKERS

A Forward Movement That Was Not Anticipated So Soon—Strapton Will Have The Next Convention.

Wednesday afternoon's session of the Sunday school convention, opened at two o'clock with a devotional service, conducted by Rev. Douglas Laing, of Kingston.

Rev. Dr. Schaeffer, of New York, who gave an address at Tuesday night's meeting, again spoke, taking as his subject, "What to Teach." He used the blackboard to illustrate his address, and the audience was called upon to answer many questions.

The speaker said that the work of the teacher was to "teach the children a book into the boy." To do this the teacher had to have a knowledge of both the book and the boy. A teacher might know the book, but if he did not know the boy, he would not succeed in the work.

"I believe that you know more about the book here than they do, in the United States," said the speaker. "I believe that if Canadians would enter into a contest with Sunday school workers in the United States, that Canadians would capture the prize."

The speaker urged the teachers to listen to Bible themes. Teachers should know and study the Bible. If it was done they would teach far better than they had done before.

An Important Report. The report of the general executive was presented by W. Hamilton, chairman of the executive committee. The report was adopted by a unanimous vote.

The executive also reported as follows: "Since the rising of the capital executive committee, whose report you have just heard, a condition has arisen almost cataclysmic in its character, by which our Divine Leader, as your general executive understands His guidance, has suggested that the standard, set it down one thousand miles beyond any progress we had dreamed of being possible at the present juncture and said to us, 'move forward.'"

WEDDING MORNING OF A FAIR BRIDE TURNED OUT WELL.

In Spite of Overnight Symptoms to the Contrary—Married Mid Autumn Leaves, Chrysanthemums and Barberries.

Rockwood hospital was the scene of extremely pretty wedding, on Wednesday morning, and the whole institution seemed on feet. At half-past ten o'clock Rev. W. H. Sparling, B.A., of Queen Street Methodist church, married Miss Edna Webster, daughter of the late George R. Webster, of Brockville, to Thomas Somerville, of Dundas, son of the late Robert Somerville, of Glanashields, Scotland.

The bride was given away by her cousin, Charles Webster, of this city, and looked very sweet and girlish in her bridal gown of white pongee cloth, over tulle skirt and bodice draped with chiffon, and trimmed with bands of satin embroidered in white roses.

The bride veil was caught to the fluffy golden hair with orange blossoms, and the bride's bouquet was of roses and lilies of the valley.

Her bridesmaid, Miss Muriel Webster, wore pale blue tulle silk, with white chignon and lace and guipure of blue and white. The bridesmaid's dress was laced with pink velvet. She also wore a pale blue picture hat with white plumes and pink roses.

The square hall, where the ceremony took place, was made beautiful by branches of autumn leaves, chiefly the rich dark red foliage of the oak, and with beautiful sprays of barberries. A large bridal veil of white chrysanthemum was surrounded by smaller bells of the same flowers, marked the exact spot where the bride party stood.

The ceremony was presided over by Rev. Dr. Schaeffer, who was assisted by Rev. Dr. Armstrong. The wedding party consisted of the bride, bridesmaid, groom, and best man.

The wedding breakfast was served in a large apartment downstairs, the forty or more guests sitting down at quartette tables. In the midst, and just opposite the door was the bride's table, and centred on the noon train, their destination known only to themselves. The bride wore her travelling dress navy blue broadcloth, smartly tailored, with black and white trimmings, with Valenciennes lace insertion, and a navy blue felt hat, with shaded feathers and tulle completed the costume.

The guests in town for the ceremony were Mrs. Rowan and C. R. White, of Ottawa; Mrs. Hayward, Miss Gill and Miss Jackson, of Brockville; Miss Jean Bertram and James Bertram, Dundas.
