When asked by the arbitrators if the company was prepared to accept this "And did you get the money all "Not Perfection, but Progress"; 7 offer of 83,000, J. L. Whiting, K.C., July 20th last and sailed from New Bible class, 3 p.m. Strangers cordially road at the acre rate. There are about one hundred acres in it, and \$30 an It is claimed that the road more value than it was when the company bought it piece by riece. The

road extends for twelve miles. The company takes a different view, claiming that it has spent thousands of dollars upon the road, and is entitled o a consideration of this when the amount of expropriation is being fix-Will the people of Frontenac vote to

ourchase the Perth road at any amount, in order to get the tolls struck off? In some sections there would doubtless be a strong feeling in favor of purchase, on account of the abandonment by the company of the Loborough Lake bridge, and the consequent trouble; Wolfe Island, Howe Island, and the back townships are not likely to support the purchase. The county council has to consider the question of having the freed roads repaired. For instance, the county council freed the York road of tolls, but that road has ever since lacked repairing, Kingston township through which it passes objects to becoming responsible. Who is going to keen the roads in repair? The people of Frontenac will have to know that before they vote money for the perchase of roads in order that they may be freed
