IMPORTANT SCIENTIFIC DISCOVERY.

A Clinical Preparation that Positively Kills the Dandruff Germ. A most important discovery has been made after a year's patient laboratory work aimed in a certain direction. It is Newbro's Hepticide, a hair, and scalp, and permanently eradicates dandruff. These evils are caused by a germ or parasite that burrows into the scalp, throwing up dandruff, as it seeks to sap the life of the hair at the root. There's no baldness without dandruff, and no dandruff if the germ is destroyed. Newbro's Hepticide is the only preparation that will do the work. Destroy the cause, you will remove the effect. Sold by leading druggists. Send 10c in stamps for sample to The Hepticide Co., Detroit, Mich. G. W. Mahood, special agent.

LOCATED AT CIVITA VECCHIA, NEARVALETTA, MALTA.
 The chapel is a great attraction to tourists. The skulls and bones are supposed to have been collected by a lady from the various sepulchres on the island after the massacre of the Maltese by the Turks in 1798. An admission fee of sixpence is demanded by the monks in charge. Services are held in an adjoining chapel.

A SIMPLE FORMULA SAID TO BREAK UP A COLD IN A SINGLE DAY.

Ingredients Easy to Procure—Can Be Purchased From Any Good Druggist—Oil of Pine, Glycerine and Whiskey Used By Famous Doctor in Treating Consumptive Patients.

Mix half ounce of the Pure Virgin Oil of Pine with two ounces of glycerine and half a pint of good whiskey; shake well and use in teaspoonful doses. A famous throat and lung specialist, who established a camp for consumptives in the pine woods of Maine, and whose remarkable cures there have attracted great attention from the medical world, declares that the above formula will heal the lungs and cure any cough that is curable. It will break up a cold in twenty-four hours. The ingredients can be secured from any good prescription druggist at small cost.

Inquire at the prescription department of a leading pharmacist for the information that the Pure Virgin Oil of Pine is put up only in half-ounce vials for dispensing; each vial is securely sealed in a round wooden case with engraved wrapper, showing the name—Virgin Oil of Pine (Pure)—plainly printed thereon. There are many rank imitations of Virgin Oil of Pine (Pure), which are put out under various names, such as Concentrated Oil of Pine, Pine Balsam, etc. Never accept these as a substitute for the Pure Virgin Oil of Pine, as they will invariably produce nausea and never effect the desired result.

Virgin Oil of Pine (Pure) is also said to be a perfect neutralizing agent for uric acid.

A Child's Coat.

A very pretty little street costume for a little girl is shown in the plate. The cap coat being made of white Bedford cord, ornamented with hand embroidery. The edge of the cape and the cuffs of the sleeves were scalloped in white silk, a conventional flower design being embroidered every six inches or so above the edge. The front of the coat was laid in a box plait, which was leather stitched on each side and embroidered in flower sprays. The little cap was of white corded silk, edged with a band of white swansdown, and ornamented with full rosettes of white ribbon at each side.

The new pure food and drug law will mark it on the label of every cough cure containing opium, chloroform, or any other stupefying or poisonous drug. But it passes Dr. Shoop's cough cure as made for twenty years, entirely free. Dr. Shoop all along has bitingly opposed the use of all opiates or narcotics. Dr. Shoop's cough cure is absolutely safe even for the youngest babe—and it cures, it does not simply suppress. Get a safe and reliable cough cure, by simply insisting on having Dr. Shoop's. Let the law be your protection. We cheerfully recommend and sell it. All dealers.

Very, very often a man is known by the candy he eats. Why not send high class candy? Such as McConkey's or Huyler's from Gibson's Red Cross drug store.

THE SPORT REVIEW
THE RESULT OF SATURDAY'S RUGBY GAMES.

Argonauts Almost Defeated Tigers—Ottawa College Surprised Varsity—Big Scores in the Quebec Matches.

Montreal are champions of the Quebec Rugby Union.

Montreal and Rough Riders each outplayed their opponents on Saturday.

St. Patrick's, of Ottawa, were buried completely by the awful score run up against them by the champion Montreal.

Racing begins at the Crescent City track, New Orleans, November 22nd, and at San Francisco, Nov. 17th.

In the Rough Rider-Westmount match on Saturday, Jack Williams kicked two drop goals from mid-field.

"Pud" Hamilton, of Kingston, is the coach who is responsible for Montreal's victory in the Quebec rugby championship.

The Caulfield cup, at Sydney, N.S.W., was won by the three-year-old Poccion, the favorite, Simonda was second and Booran third.

The eighth match of the South African's soccer tour in England was another victory for the tourists. Their score against Somerset was fourteen to nothing.

Leo Conroy, one of the Gananoque rugby team's best wings, leaves tomorrow for Saskatoon, Sask., to settle. He is a good rifle shot, a base-ball and hockey player, and a yachtsman. Gananoque sporting circles will miss him very much.

The stakes run for in England amount to \$2,375,300. Of this it is estimated that a two-thirds of this sum came from the owners in entrance, forfeits and starting fees. This leaves the actual sum won amount to \$815,135.

Frank Grierson, president of the civil service says it may be several days yet before the list of players now being dealt with by the executive of the C.A.A.U., on charges of professionalism will come up, for there are about 150 names under consideration.

Alexander Warden, who this week resigned the post of treasurer of the Presbyterian Church of Canada, will be remembered as one of the last forward line of the team that so often won the championship of the Ontario Hockey Association for the Wellington, of Toronto.

Charles A. Sherwood, the captain of the Canille Bicyclist Team for the year, is virtually champion of the United States for the season of 1901. Sherwood is far in the lead, with 20 points, and George Cameron, of the New York Athletic Club, is second, with 15 points. James Zanes and Watson J. Klueck are tied for third with 5 points each.

The Versailles France Court is investigating a case which on the facts are as follows: In August last was given "Trene," won the Prix de la Haute. It was an easy victory, and following it M. Canille Bicyclist Team for a little over £500. It is now alleged that the winner was not Trene at all, but a substitute almost exactly like her.

At a general meeting of the English Rugby Union, with only three dissenting voices, it was decided that in the case of regimental matches, and in such cases only, no soldier shall be considered a professional on the ground of having played with or against players of the Northern Union, the professional organization.

This will not apply, though, in the case of such an occurrence after the date of this resolution, and furthermore, although a soldier who had played Northern Union football is thus made an amateur for the purpose of regimental football, on leaving the army he again becomes a professional.

Close Shave For Tigers.
 By the narrow margin of one point, Hamilton Tigers defeated Argonauts on Varsity athletic fields, Toronto, Saturday, in a senior O.R.F.U. game. The score at half time stood 5 to 2 in favor of the Argos, and 9 to 8 in favor of the Tigers at the finish. The Argos were very lucky to pull out a victory.

Hamiltonians came down to Toronto, looking for an easy victory, and even went so far as to bet that Hays would double the score, and such other bets.

A regrettable accident happened in the third quarter. St. Hay, of the Argonaut half back, who had been putting up a grand game, had his leg broken. He muffed a punt and ran to kick it, but in the mix-up that followed, he fell on the turf and heard a snap, and thereafter the above blow. Hays' loss was a serious one to the team; for his fast work was much depended upon by the Argos.

To "Chance" Elliott is due the credit of the Argonauts' fine showing. Had Hays not met with the above mentioned accident, the Tigers would have been defeated.

Surprise At Ottawa.
 Ottawa College sprang a great surprise, Saturday afternoon, when they defeated Toronto Varsity, at the capital, by 5 points to 4. The visitors did not display any great anxiety in the first half, and College really had a hard time of it. At half time the wind, at half time Varsity led by 4 to 0, but they were lucky to have even that much of a lead.

The first point for Ottawa was a touch down goal, and they kept hammering away a point at a time until, with two rouges and two more touches, in goal, they led Varsity by 5 to 4. It was all College for the last fifteen minutes of the game, Varsity being practically played off their feet.

Other Rugby Results.
 Montreal, 72; St. Patrick's, 3.
 Rough Riders, 69; Westmount, 7.
 Victoria, 23; Peterborough, 14.
 Hamilton II, 6; Dundas, 5.
 Galt Juniors, 20; Hamilton, 4.
