

A FRAUD ALLEGED

IN CONNECTION WITH AN IRON PIPE CONTRACT.

For Toronto's New City Hall—Dr. Pynes Calls a Meeting of School Inspectors—Ontario Schools May Get Further Grants.

Toronto, Nov. 5.—The charges of an alleged conspiracy in connection with the iron pipe contract for the new city hall, came up for hearing this morning. The Bennett and Wright company, limited, Asa Matthews, Alexander E. Wheeler, and the Metal Roofing company are charged with conspiring with Thomas Douglas to supply galvanized iron pipe conductors for the new city hall and court house. Thomas Douglas, the contractor, testified that Wheeler and Matthews were to get \$200 each, while the Bennett and Wright company got \$200. The different parties met and talked over the contract, and Douglas decided that the Metal Roofing company, Bennett and Wright company, limited, and Matthews were to get \$200 each, while the Bennett and Wright company got \$200. The different parties met and talked over the contract, and Douglas decided that the Metal Roofing company, Bennett and Wright company, limited, and Matthews were to get \$200 each, while the Bennett and Wright company got \$200.

Do Not Want Commissions. It is said that the department of militia at Ottawa that those winning diplomas at the Royal Military College, have no desire to enter the Canadian permanent force. Half a dozen commissions have been given to those holding diplomas from the college this year, but eight others, at least, would have been able to have obtained commissions, had they wished to make application for them.

Auto Played Tricks. A story was told on the street, today, about the owners of a motor car who met with a mishap while out on the York road with his automobile Sunday. All went along as merry as a marriage bell for some few miles, when the auto, for some reason, took some tricks and the machine was put out of business. The auto was hitched to a farmer's rig and brought to the house, the engine, the owner reaching the city via the farmer's rig also.

Scotland's Greatest Tenor." "Scotland's greatest tenor" is a title which has been bestowed upon a man of pure tone and great range, power and sweetness, he captivates his audience as only a gloriously gifted singer can. Such is the dominant power that before he has sung a note his audience is silent, breathlessly awaiting the silver notes that fall like music upon the heart and soul. He has frequently appeared before the royal family. City hall, Thursday evening. Plan at Uglow's.

A WARM SUBJECT

There's nothing in the world we're so much interested in as Coal at this time of the year. It may sound queer to speak of coal buying and selling as a science, but that's what we've made it. Two important discoveries we have made are that complete satisfaction to our customers pays best, and that the way to win business is to doze it.
