### AFTER-EFFECTS OF LA GRIPPE

La Grippe Sows the Seed of Chronic Catarrh, Indigestion, Nervous Prostration and a Host of Ailments Too Numerous

to Mention.

DERUNA is a remedy for the after-I effects of la grippe. Nearly every person who has had the grip during the past winter finds himself left with some chronic catarrhal condition more or less intolerable. It may be a hacking cough, or a tired, all-worn-out feeling.

Sometimes indigestion appears and hangs on in spite of all remedies. A short course of Peruna removes all these symptoms and puts the patient right again. We have a multitude of testimonials

along this line. La Grippe Leaves a Case of Systemic Catarrh.

Judge Horatio J. Goss, Hartwell, Ga., "Some five or six years ago I had a very severe spell of grip which left me

with systemic catarrh. "A friend advised me to try your Peruna, which I did, and was immediately benefited. "The third bottle completed the cure."

Holds Pe-ru-na in High Esteem. Miss Ernestine Durocher, 3611 Notre Dame, St. Henri, Montreal, Can., writes "During several years I experience much inconvenience on account weakness and heart trouble.

"The best doctors treated me, but without success. "A year ago I commenced to take

Peruna. "I persevered with it regularly and change took place more rapidly than I expected. To-day I am entirely cured. | Head and Stomach Were Affected by "I hold Peruna in the highest esteem and I am always ready to speak a good word in its favor. I owe my cure to Peruna."

of My Friends," Dame, Lachine, P. Q., writes: "I tried the famous remedy, Peruna, which was recommended to me by one of my friends, R. Pilon. "I have not been without this valu

able remedy for seven months, and now I see that I am entirely cured. "Formerly, on lying down I was unable to breathe through my nose and I never passed a day without headache.

MR. J. A. GOYER.

Mr. J. A. Goyer, president La? Pharmacie Latoniuse, 1069 Berri St., Montreal, Can., writes:

"I can highly recommend your inestimable preparation, Peruna, to after-effects of la grippe.

"Two bottles of Peruna have brought to me a complete cure of that sickness, and it has acted as the best tonic for the system that I have? ever experienced."

Miss Olivine Perrault, 52734 rue Albert,

Montreal, Can., writes; "I write you a word to congratulate "Pe-ru-na Was Recommended by One you on your famous remedy, Peruna. I tried other remedies, but my cold did Mr. N. Beauchamp, 126 rue Notre not get any better, and I feared I was becoming consumptive.

> "The condition of my head and stomach was very annoying. I had coughed day and night for three months, as the result of a cold which I had contracted from sudden change of temperature.
