Fruit-a-tives are the juices of apples oranges, figs and prunes. These juices are concentrated—and by a secret process, the juices are combined in a peculiar manner. This new combination is much more active medicinally than fresh juices-yet so perfect is the union that Fruit-a-tives act on the system as if they were in truth a natural fruit, medicinally stronger than any other

To this combination of fruit juices, tonics and internal antiseptics are added, and the whole made into tablets. These are Fruit-a-tives-sold every-
