A WARM SUBJECT

There's nothing in the world we're so much interested in as Coal at this time of the year. It may sound queer to speak of coal buying and selling as a science, but that's what we've made it. Two important discoveries we have made are that complete satisfaction to our customers pays best, and that the way to win business is to deserve it.

A JOYOUS TIME

WAS A REALLY SPLENDID ENTERTAINMENT

Given at the Convent of the Congregation de Notre Dame Tuesday Night.

Upwards of two hundred people attended the entertainment given at the convent of the Congregation de Notre Dame, Tuesday night, in honor of his grace Archbishop Gaudreau, and the feast of St. Charles Borromeo. The pupils present numbered one hundred and twenty-five, and the entertainment was a most enjoyable one. The rooms in which it was held were nicely decorated for the occasion, and presented a very pretty appearance.

Piano selections were a feature of the evening, and in one of the opening numbers six pianos were used, the following taking part: M. Leahy, K. Conway, L. Gaudreau, the Misses Shannon, E. Leahy, K. Lovett, E. Weir, L. Campbell, A. Hanlan, J. Nicholson. In the vocal song, the solos were sung by Miss Bessie Dolan and Ruth Byrne, the orchestra overture being given by Ruth Byrne, A. and L. Lussan and two sisters, with two pianos, mandolins and guitar.

One of the main features of the evening was the cantata, "The Lost Treasure," which was put on by the junior pupils, thirty-four in number. The principal parts were taken as follows: Little Shepherd, M. O'Connor; Shepherd's Sister, Irene Harris; Queen of Flowers, Grace Leahy; Fairy Kinheart, E. McDonald; Culprit Fairy P. Devlin; Page, Lena Weir. A festa array was given in which six pianos were used, the following taking part: Chinlan, T. Edmond, A. Leahy, E. and A. Rousseau, G. Conway, M. Mullin, B. Dolan, D. Staley.

The following received graduating honors: Mary Harrison, N. O'Connor, M. McCabe, A. Aiken, junior leaving certificates; M. Devlin, C. Farrell, J. Kearns, A. White, diploma, and medals for commercial, Miss Mary Harsh, and C. Farrell, N. Devine, A. White and J. Kearns were awarded silver medals.

An address was presented to his grace the archbishop by Mary Anderson.

The entertainment was brought to a close with a grand concert in which six pianos were used, the following taking part: R. Byrne, P. Dawson, G. Graves, H. Shaver, K. Broucher, A. Leahy, and L. Lussan, R. Nicholson, E. Fleming, H. Mullin, A. M. La Haye.

NOT VERY SERIOUS

Was the Meeting at Portmouthe, Eng.

London, Nov. 7.—The official account of the meeting at Portmouthe barracks, on Sunday and Monday, makes the matter to be much less serious than popular report made it. The insubordination, it is declared, consisted mainly of a noisy demonstration by discontented strikers. No personal injuries of a serious nature were received by anybody. It was reported 120 of the mutineers were arrested, but only the ring leaders were detained.

Preventives, as the name implies, prevent all colds and grippe when taken at the sneeze stage. Preventives are toothsome candy tablets. Preventives dissipate all colds quickly, and taken early when you first feel that a cold is coming, they check and prevent them. Preventives are thoroughly safe for children, and as effective for adults. Sold and recommended in 5c. and 25c. boxes by all dealers.
