Another Departure At the Aggressive Store

WE are going to stimulate Saturday Night shopping in this city as it never was stimulated before. Beginning this week, we will hold an "After Supper Sale" every Saturday night (for a few weeks at least) from 7.30 o'clock until closing time.

The biggest bargains we can possibly offer will be the trade-attracting feature of these "After Supper Sales."

We have asked our leading manufacturers and wholesalers to co-operate with us by offering some special "plums" to make these Sales a grand success. They have responded nobly—and the story is told below in seasonable items and fascinating prices that would be hard to match in this or any other city for real-values.

"After Supper Sale" Specials cannot be purchased until after half-past-seven Saturday night. Lots are limited, of course, so be on hand to the minute
