Oppose Convict Labor. The following resolution was unanimously adopted at a meeting of local union No. 114, Brotherhood Painters and Decorators, on Monday night

Resolved, that as sincere friends and | well-wishers of Queen's University, and its various branches, we regret exceedingly, the attempt on the part of free labor by the employment of convicts. This is so diametrically posed to the principles of our constitution, and ideas of a proper public spirit that, it is hereby further resolved, That no member of this union will waise a hand to aid in the erection of any building where convict labor has been employed against the interests of free labor. Also, that as far as we can legally do so, we will induce sister unions throughout the dominion to take the same action, and that copies of this resolution be sent to the press, our employers, and the authorities of Queen's Medical Col-
