A TALK TO FARMERS.

"The farmer is the salt of the earth. Without the farmer, the industrial world with all its flurries and immenses would not exist for a day."

Many a family depends largely upon Peru-na as a family medicine and the family physician.

Some farmers are far removed from far more self-reliant and more liable to depend upon a household remedy than people who live in the cities.

Dr. Hartman, who for many years was a farmer himself, and who still owns and manages one of the best farms in the State of Ohio, is a friend of the farmer, and it is with the farmer that the immense bulk of his correspondence is conducted.

The millions of booklets published and distributed by Dr. Hartman every year circulate chiefly among the farming class.

A large number of unsolicited testimonials concerning Peru-na come from the farmers every year.

Alexander, publisher of the 'Fruit and Floral Guide, a Magazine of Horticulture,' published in Hartford City, Ind., says of Peru-na: 'I was afflicted with catarrh of the throat and head for over ten years. I was treated by many physicians, but was worse until I used Peru-na, which I now use daily, and am now entirely cured.'"

MR. HENRY SCHROEDER.

Pe-ru-na, a Household Friend.

"I suffered for almost ten years with catarrh of the stomach and all doctoring was of no avail. I took nine bottles of Peru-na and two of Manalin and am now entirely cured."

One of Dr. Hartman's Grateful Correspondents.

"I write to express my kindness toward you and your good medicine, Peru-na."

"I had a very bad spell of sickness and could not eat anything at all. My head, stomach, in fact, my whole body ached, and it looked as though nothing would do me any good. I had almost given up."

"I decided to try a bottle of your Peru-na and before I had taken half the bottle my appetite came to me and my head became all right. In fact, I was all right all over. Peru-na cured me."

"While Peru-na is not confined to any one class of people, yet it is probably the best farming class more than any other, rely upon Peru-na for the prevention and cure of all climatic diseases."

A CRIPPLE CURED.

Helpless and Bent With Rheumatism—Cured By Dr. Williams' Pink Pills.

"I was a helpless cripple. I was bent in form and could not straighten up. Crutches were my only means of moving about. I tried many medicines, but they all failed until I began using Dr. Williams' Pink Pills. They cured me." George Schaw, of Short Beach, N.S., made the above almost startling statement to a reporter a few days ago. Mr. Schaw is now a well-built man, strong and broad shouldered. Like thousands of other Nova Scotians, he is a fisherman, and is consequently exposed to all kinds of weather, just the conditions to set the rheumatic poison in the blood at work. Mr. Schaw says: "It is impossible to overstate the severity of the attack. The trouble was located in my back and right hip. I had to quit work, and was mostly indoors. There was a time when I never expected to stand erect again, but Dr. Williams' Pink Pills straightened me up again, not only that, but they made me the strong, hearty man you see me to-day. I can never describe the awful pain I suffered before I used these pills. I tried many medicines and had treatment from several doctors, but to no avail. My legs became so stiff that in order to move at all I had to use crutches. Finally the doctors decided that I was incurable, and told me they could render no further assistance. I continued to suffer day and night, and my mind became so depressed that I thought of nothing but my own death. At once I got a supply and began to use them. The first indication that they were helping me was when the pain grew less severe. In a few weeks more the swelling in my legs and hips began to leave, then my joints seemed to loosen up, and then it was not long until my crutches were thrown aside and I could straighten up. Then I began to go outdoors and soon was able to resume my work as well as ever. Since that time I have never been troubled with rheumatism or lame back. I can tell you my neighbors were all astonished at my cure, but I had all thought I would always be a cripple." Dr. Williams' Pink Pills cure rheumatism by going straight to the root of the trouble in the blood. They make new, rich blood that sweeps out the poisonous acid and soothes the jangled nerves. That is how they cure all troubles rooted in the blood, such as acute rheumatism, neuralgia, St. Vitus' dance, general weakness and the special ailments that only girls and women folk know. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.
