Was Offered By Opposition in House

SOLID WORK WILL PROCEED ed being shot. FOR SOME TIME.

If Members Spoke Less and Did More Work, Like Mr. Harty, Progress in Parliament Would Be Materially Hastened-Estimates For Kingston Institutions.

From Our Own Correspondent.
Ottawa, Dec. 1.—A dreary day and drearier debate characterized Ottaws yesterday. With all deference to Henry Horton Miller and W. F. Cockshutt, who spoke, the former for the government and the latter in oppositio here was nothing very startling to record. Mr. Miller rehearsed the posi-Mr. Cockshutt descanted upon the alleged intricacies and impossibilities of | *

importing firm could not now tell these were in the warehouses. He discoursed upon the increased tax on sugar, declaring it cost the importer \$1.28 per cwt. to lay it down. He statement that there was a conflict be-

The house has gone into committee on the tariff, which means that the opposition has accepted the principle of the resolutions. The items will be fought out in succession. Despite Mr. Foster's criticism, the opposition did not challenge a vote, which has been the case for some years.

So far there has been none of the brilliant skirmishing which character ized much of last session. The heavy cloud of dull dry statistics hangs over their constituencies. The Kingston re- very large salary, to restore the representative has the serious air of the public foreign market in Europe others. He is in his place constantly; countries from where its live cattle indeed Mr. Harty may be described as has been shut out for some time the commons. > DAMAGES FOR POISON Said Druggist Gave Liniment For

Toronto, Dec. L.-Justice Britton from the Marquis of Clanricarde's Ir- brought by Marie Antoinette, Oneida, ish estates. The marquis absolutely against T. H. Dumcombe, a druggist, of St. Thomas, for damages for the death of her husband, Job. Nicholas, and her son. The woman claimed the druggist sold the family poison which was not so labelled, and that as a result her husband and son and also statesman and orator, who was prethird man, named Cornellis, died. The family, it seems, were in the habit of going to Dumcombe for whiskey, and in November, 1905, got a bottle con taining what they thought was whiskey, but which turned out to be lini ment. They all drank from it, hence the deaths and the suit. lordship finds the liniment was a preparation which did not need to be I belled, poison, to comply with the
