From Our Own Correspondent.

Ottawa, Dec. 4.—Yesterday was private members' day, and a number of matters of minor and local matters were brought up. Col. Sam. Hughes brought up the Cannington post office affair again. He moved for a copy of all correspondence concerning the reconstruction of the Turnpike trust.

The new member spoke warmly and cheered warmly by the opposition and a few liberal members.

Mr. Aylesworth, when postmaster-general last session had answered him "with flippancy, verging on insolence."

Mr. Robitaille supported a motion by F. D. Monk, the conservative member for Jacques Cartier, who moved for a return showing the financial condition of the Turnpike trust.
