THE PARAGRAPH PULPIT. Unitarian REV. G. W. CASSON, OTTAWA. The Religion Of Jesus. The religion of God was summed up in love to God and love to man. The grandest word was love. The chiefest duty was love. The highest law was love. The vitalist principle was love. The divinest thing was love. Love was the essence and the essential. Then let us have done with our pulpit strife over dogmas and dogmas, the heart of the Christian religion is love, and only he who penetrates to the love center can possibly understand the message of the mission of Jesus. If you do not love your fellows, you have not learned the chief lesson of the Christian religion.
