difference between erican business game Canadian game as there is between the drama in the opera house and private theatricals in the back parlor. In a business game the object is to win; in a game, the object is to play. Which do we want?

"It is not the American game, that we intend to discuss here, but the tion. came up; it was decided to secure a rroceeds of a match played for his Crawford's. coach, but a satisfactory agreement benefit. with those approached could not be any advisory assistance. On the whole, and T. P. O'Connor. we can hardly consider it a fair trial of the plan. In the season of 1905, no one wanted a coach; this fall, as we said, we tried, and failed to get one "We would deeply regret the introduction into the Oucen's game of that spirit of professionalism and trade which has destroyed the American game as a game. We, of course, and the other members of the I.C.R.F.U. in our sports, stand for something higher and manlier than the score card and cash box. We like to win. but like better to "play the came. In the game of life, we admire the man who wins high place and fame : we revere the man who attains to but little, or loses all, but who still "plays the game" With regard to the hiring of a professional coach as an introduction of professionalism that is unwarranted and unwarrantable. We believe that such an action means no less than the entrance of the thin edce of the wedge that has dislodged American football from the realm of true sport. In the came as played in the United States, we have profession- with wonderful promptness into the black or mixed. J.
