4-The Last We'll Comes On To-Night At 7.30

TERE'S the fourth (and the last this year) of these most popular sales in our history—and by a curious coincidence, we ust as many extra-specials as the number of the sale But at no one of the three preceeding "After Supper" sales, have there been such attractive values offered. All of these are seasonable, no doubt of that; and at least three are doubly so, because they will make such splendid 'Xmas gifts.

Some Of Our Fine Sable Ruffs Reduced

special lot-fourteen only - of those popular Columbia Sable Ruffs that we are tired having conflict with regular lines and we'll not begrudge the entire loss of profit, if they are cleared right out as they surely will be. Buy the way, if you'll pay a very small amount, as a guarantee of good faith, we will lay your ruff away until 'Xmas, if you so desire.

14 only, Columbia Sable Ruffs, 50 in hes long, exceptionally serviceable, being very broad and of the double style with fur on both sides, finished at ends with six, and at neck with four long sable tails. Regularly sold as an extra special value at 12.50 each. Yours to-night after 7:30, each

the result of taking all a maker had left of this particular line.

200 only, Ladies' Pure White Knitted)

Knitted Corset Covers | Fancy Stock Collars

NOT more than once or twice a year | CEE them in our window before you could such an offer as this be made | buy. Besides saving nearly half -lor, as with the collars herewith, it is the regular cost, you can escape lots of worry in choosing 'Xmas gifts for some of your friends at this sale to-night.

Another Lot Ladies' Good \$2.25 Umbrellas

Your 'Xmas foresight will see the seasonableness of this sale, and your natural thriftiness will show you the sense of buying when you see them.

60 only, Ladies' Umbrellas, with strong frames and good "Victoria" covers, which keep their color and wear exceptionally well, all with the latest and most attractive designs of handles, and sold regularly at 2.00 and 2.25 each. Your choice of this lot while it lasts after 7.30 o'clock to-night

Are You Still Without a Coat? Come and From Our Showing To-Night

GOOD old-fashioned Canadian Winter seems to have this country well in its grasp now-and intends to keep it there for some time; at least that's what the 'Probs' say. You need a Coat, surely. Just what kind a one you get depends on yourself-though, of course, we don't mean by that that you can come here and choose from as large an assortment as you would have found one month, or even one week, ago. Stylish, dressy, black Coats, we candidly tell you, are what we have most of and we're glad of it, because they're more in demand than ever. Amongst the Tweed Coats, the following special is the most

LADIES' INVISIBLE STRIPE GREY TWEED COAT, in the popular threequarter length, trimmed over shoulder with straps of dark grey broadcloth, fancy shawl collar trimmed with velvet and braid, fly front, full plain sleeve with neat cuff, and lined throughout. Very exceptional value for to-night, only

LADIES' BLACK ENGLISH BEAVER COAT, of finest quality beaver, 46 inches long, full back, double-breasted front, fancy self strap forming yoke back and front, coat collar reveers, full sleeves with neatly 1 1 50 stitched turn-back cuffs, lined body and sleeves. A coat worth 4.30 16.00-extra-special for to-night; only

One Of Our Greatest Sales Monday At Half-Past Nine. Regular 5, 6, 7, 8 And 9c. Laces and Insertions .

TX/E are unable, at the time of writing, to tell all we'd like about this lace sale. But it will be extraordinary - both as to the quantity offered and the greatness of the reduction on the regular prices of that we are sure. The lot will be on display in a show-case near the centre of the store on Monday until twenty minutes after nine. Sale sharp at half-past nine.

Hundreds of yards of Torchon Laces) and Insertions, different widths and patterns, the regular values of which would actually be 5, 6, 7, 8 and 9e. a yard. Your choice after 9.30 o'clock, Monday morning, only

mous Deposit of Fireclay Discovered and Ballycas District Promises to Boom. London, Dec. 8.-There is a touch romance in the discovery of the mense seams of coal in North Antri Ireland, which should bring gr prosperity to that district. In I Hugh Boyd obtained from the Ear Antrim the right to all mines fr Fairhead to Knockladye, a distance seven miles, with a wide sweep inlar A large output of coal followed, with Boyd's death the prosperity the Ballycastle district ceased. T Two years ago Mr. Brande, a mini expert, visited the district. He th invited Prof. Cole, of the Geologi and Survey Department of Ireland which had previously reported th the coal was exhausted, to make survey in his private capacity. Pr Cole confirmed Mr. Brande's estima that there was at least 555,000. tons of coal of good quality the The boring revealed black hand in stone, estimated to be at least 15 000,000 tons, the ore being one of richest in the world. A third disc ery was of an enormous deposit firec'ay, the value of which can estimated when it is said that fi a cost of eighty-two shillings thousand, whereas they can be del ered from Ballycastle for a little me than sixty shillings.
