HOMESTEAD REGULATIONS, Any even numbered section of Dominion Lands' in Manitoba or the North-West Province, excepting 8 and 26, not reserved; may be homesteaded by any person the sole head of a family, or male over 18 years of age, to the extent of one-quarter section, of 160 acres, more - less. application for homestead entry or in-oction must be made in person by the plicant at the office of the local Agent

An application for entry or inspection made personally at any Sub-agent's office may be wired to the local Agent by the Sub-agent, at the expense of the applicant, and if the land applied for is vacant on receipt of the telegram such application is to have priority and the land will be held until the necessary papers to complete the transaction are received by mail.

In case of "personation" the entry will be summarily cancelled and the applicant will forfeit all priority of claim.

An applicant for inspection must be eligible for homestead entry, and only one application for inspection will be received from an individual until that Rex and Mic Mac Hockey Sticks one application for inspection will be received from an individual until that application has been disposed of.

A homesteader whose entry is in good standing and not liable to cancellation, may, subject to approval of Department, relinquish it in favour of father, mother, son, daughter, brother or sister, if eligible, but to no one else, on filing declaration of abandonment

Where an entry is summarily cancelled or voluntarily abandoned, subsequent to institution of cancellation proceedings, the applicant for inspection will be en-Applicants for inspection will be entitled to prior right of entry.

Applicants for inspection must state in what particulars the homesteader is in default, and if subsequentry the statement is found to be incorrect in material particulars, the applicant will lose any prior right of re-entry should the land become vacant, or if entry has been granted it may be summarily cancelled.

Duties.—A settler is required to perform the conditions under one of the following plans:—

(1) At least six months' residence upon and cultivation of the land in each year during the term of three years.

(2) If the father (or mother, if the father is deceased) of a homesteader resides upon a farm in the vicinity of the land entered for by such homesteader the requirement as to residence may be satisfied by such person residing with the father or mother.

Before making application for patent the settler must give six months' notice in writing to the Commissioner of Do-minion Lands at Ottawa, of his inten-

### HOLY GHOST COLONY.

Augusta, Me., Dec. 13.-Governor Physical perfection, great endurance and unfailing health are positively essential in severe athletic work and great attention is given to the diet.

In schools where a "training table" is provided for the athlete, only the most nutritious food is served, and in cases where there is no training table the athlete is advised to eat the most healthful food only. Whether or not he follows such advice is soon shown by his physical condition. If the average man—the business man—the law—the feet of the leader of the leade so fresh, and crisp, and tempting, that just opening the just opening the just opening the box is teasing box is teasing brown.

So fresh, and crisp, and tempting, that just opening the just opening the just opening the box is teasing brown.

So fresh, and crisp, and tempting, that just opening the just opening the just opening the just opening the box is teasing by his paysical condition. If the average and the position is paysical condition. If the average and the position is paysical condition. If the average and the average and the position is paysical condition. If the average and the average and the position is paysical condition. If the average and the average and the position is paysical condition. If the average and the average and the position is paysical condition. If the average and the average and the position is paysical condition. If the average and the average and the position is paysical condition. If the average and the average man—the business man—the law-yer, the teacher, the cierk, the mechanic, the laborer—took such care as to the fact as the athlets does, the feed of the leader of the law-yer, the teacher, the cierk, the mechanic, the laborer—took such care as to the fact as the athlets does, the feed of the law-yer, the teacher, the cierk, the mechanic, the laborer—took such care as to the fact as the athlets does, the feed of the law-yer, the teacher, the cierk, the mechanic, the law-yer as the athlets does, the feed of the paysing testimony. The law-yer as the athlets does, the feed of the paysing testimony. The law-yer as the athlets does, the feed of the paysing testimony. The law-ye declared to be true: that the various got under Sandford's influence and food elements found in wheat are the food elements with which the blood and muscle, the tissues and cells, the bone They were school teachers and one is and brain of the human body must be now an immate of the Maine Lunatic replenished if life and perfect strength Asylum. Mrs. Phelps states that one are to be sustained. Every nutritive element of the best white wheat grown is found in Malta-Vita, and it is fast becoming as popular among other people as it long has been among athletes.

And Malta-Vita is so good to eat!

Always crisp! All grocers, 10 cents.

Always crisp! All grocers, 10 cents.

day while she was at Shiloh trying to induce her daughters to leave, she expressed doubt in the claim that Sand-ford was a re-incarnation of the Prophet Elijah. She was told that for this skepticism she would be struck down by the hand of God, as Shiloh was holy ground. County Attorney Crockett has branded Sandford and his institution as a "menace to the people of the state."

JUST A FEW. Some Qualifications of a School

The Canadian Teacher, in its last issue, has an item which will no doubt prove interesting reading for many teachers in Ontario, who are supposed to possess all the qualifications enumerated. It is a letter and reads

Having leisure on vacation days I have formulated from school regulations and other teachers' instructions, a "Teacher's Motto." The teacher is to be: Religious, pious, moral, loyal, peaceful, active, servile, humble, benevolent, pleasant, tolerant, polite, modest, assiduous, obedient, steady, conscientious, richteous, sober, always satisfied, cheerful, practical, successful, influential, reasonable, ingenious, economical, clever, duteous, virtuous, carnest, sincere, affectionate, provident. precise, energetic, decisive, eloquent, educated, veracious, delibera-tive, honest, merciful, diligent, suborinate, immaculate, musical, able to sing, healthy and wholly devoted to school work. For all this he'll get a munificent salary of \$375 a year.O'rest Zherchko, Sifton, Manitoba.

A MILLION BUSHELS LESS Western Grain Reports Show De-

crease in Deliveries. Winnireg, Dec. 13 .- The C.P.R. grain marketing reports for yesterday show that the daily deliveries of grain by armers at elevators, continue lower than last year at a corresponding time, while the total amount of wheat marketed since the beginning of the month of September is more than 1, 000,000 less than it was last year at the corresponding date. The figures, esterday, were: Wheat, 139,000 bushels; other grains, 33,000 bushels. Total to date: Wheat, 39.299,000 hushels, and of other grains, 3,374,000. Last year the daily figures were 203, 000 bushels for wheat, and 19,000 bushels of other grains. Total deliveries in the year 1905 were: Wheat, 40,517,000 bushels; other grains, 2,-

Kakabeka Fails Power Developed. Fort William, Ont., Dec. 13.-The Kakabeka Falis water power plant was started on Monday night by the Kaministiquia Power and Light company.
