RUSSIA TAKES STAND SINCE JAPAN'S TROUBLE

With the United States-Prospects of Renewal of Hostilities Are Weighed By German Diplomats of the Future.

Berlin, Dec. 17.-The relations Emperor William discussed the ques-

on with several persons recently and is thoroughly informed regarding to time and amount of eating. President Roosevelt's personal views on the subject. It is believed that Russia's more resolute attitude against Japan's requests for trade and olonization rights on the Amur river and in Siberia and her fishery privileges on the adjacent Russian coasts is partly due to the discussion of the California school question between the United States and Japan. The Russian foreign office has been

subjected to steady diplomatic pressure on the part of Japan in the latter's efforts to obtain these far-reaching rights and has been impressed as much by this as by Japan's firmness, The result is that the idea has been created at the Russian foreign office that Japan might make her exhibitions the occasion for a renewal of the

between the United States and Japan ing down the system. has been quite freely discussed and Something must be done to arouse Refunded if you buy bir's from us. birts shipped anywhere the professional views appear to agree the digestive organs to action. that Japan would take the Philippine Stuart's gorspepsia Tablets alone have Islands and place upon the United been found capable of digesting the States the necessity of conducting food for the unhealthy stomach.
