The Paragraph Pulpit

REV. C. W. CASSON, OTTAWA

Earning Heaven. If I had a man working in my garden, who spent most of his time at my back door, begging me to be sure to pay him when the day was over, do you suppose that I would endure his presence for one moment half a day?

And yet thousands of so-called Christians are apparently doing just that thing in religion—hanging around the gate of heaven, uttering plaintive pleas to God for salvation, and begging Him to pay them for what they are neglecting to do. What infinite patience God must have to endure the presence of such contemplatives? (Gen. 1:1) He will not pay!

Address Mr. Casson for free literature.

La Grippe Is Here, Get Protection!

An epidemic has broken out and thousands are sick. Commencing with a chill, it is followed by inflammation of the mucous membrane of the nose and throat.

Germ's cause all the trouble. Kill them—and you cure the disease. Cough medicines are useless, being expectorants and not antiseptics, they utterly fail.

The successful remedy is "Catarhazone," which contains the richest pure balsams and the strongest germicides known to science.

Catarhazone is pleasant, soothing and healing—gets direct to the trouble-cause without using noxious drugs—absolutely safe and guaranteed in all respiratory diseases.

Large Catarhazone, sufficient for two months, price \$1; small (trial) 25c. All dealers or N. C. Polson & Co., Kingston, Ont., and Hartford, Conn., U.S.A.

Plum River Lead Mine

All we are endeavoring to raise is \$5,000.00. THE OWNERS OF THIS PROPERTY ARE NOT MEN OF MEANS. It is a FIRST-CLASS thing. I cannot put a full Report in print. \$1 Shares for 25c.

If you are interested, fall in at my office and read Reports. This is not a mere prospectus. It is a mine, BUT the owners require \$5,000.00 to put it on a shipping basis.

I say again—if you want a GOOD THING—go out and inspect this mine. If it is not as I tell you, I shall pay your expenses there and return. What could be fairer than this. You can see the stuff there for yourself.
