Dr. Hamilton Speaks On Woman's Health

The reportation of this noted physi-

cien needs no comment. For years he inguished practitioners in England. In speaking of the ills from which women suffer, Dr. Hamilton points are by nature inclined to habitual constipation. Harsh purgatives are resorted to which only intensify the trouble. Although not generally known, it is a constipated, condition of the bowels that causes half the sickness and tired weariness with which all womankind is so familiar. It was after long years of study that Dr. Hamilton perfected the pills which have been of such marvellous benefit of Mandrake and Butternut every suf constipation, sick headache and biliousness. It is safe to say that Hamilton's Pills bring better health See Bibby's display of neckwear, ous condition than any other medicine lever discovered. At all dealers, in
