THE CLAIM OF THE CITIZENS'

LEAGUE,

quire So Many Drinking Houses-A Proposal to Raise the License Fee.

to eat. It is all of the wheat Citizens' League for proposing to cut and contains every element of eleven licenses, arguing that "our necessary to the sustenance of decently conducted than those of any the human body. It develops other city in the province of Ontario. nerves, the bones, the muscle and decently conducted; what has in all sizes for women, men and that to do with license reduction? The requirements of a food. And letters I have seen on this subject it's so fresh and crisp! Just management of our hotels, though the best you ever tasted and anyone, who visits certain localities on Sunday, has significent evidence from the number of drunken men he meets as to how the law is observed. This Now 10 cents. All Grocers. is a matter the Citizens' League, will, have no doubt, give attention to

to life and endowment policies for e's that is the chief reason for the the five years ending 31st December, 1904, and it is noteworthy that this is a fact that there are too many of unbroken for the long period of 40 | them to meet the city's needs some of them exist as mere drinking For particulars of a Life Insurance places, and not for the accommodation of the travelline public. The liconse act requires that every hetel shall have six bedrooms for the accommodation of travellers. In this respect every tavern in Kineston cor forms to the law, but it is well-known that the bed-rooms in many of them are seldom, if ever occupied, and few if any travellers frequent the dining-rooms of these houses. The only business worth streaking of in these places is over the bar. When a house keens open as a hotel, and does only the business of a saloon, why should it be allowed to continue under a law which prohibits saloons?

A few years ago saloons were very ar an illegal institution and should [not be permitted, which I contend is done, in spirit at least, when a tay ern is kept oven solely for the bar trade. It is these places the Citizens' League wishes to close, and for the Cathedral. Apply to resson that a reduction in the number of places where liquor is sold is a good way to lessen intemperance as experience has undoubtedly proved. I agree with Mr. Bennett that "dr nkenness is on effect," the effect of too much whiskey. Crime, as he says 's "an effect," too; usually the tion, Dry goods and coal and wood result of drunkenness. The order is, the open bar, whiskey, drunkenness, crime. Close the bar, and most assuredly its worst effects will be greatly

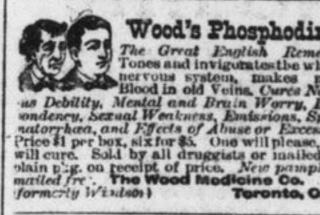

iquor will be made less convenient. tion in the number of dry goods tores, reduce the amount of dry goods remaining stores could supply demand, But where analogy between whishey and goods, and whiskey and coal
