Black Splotches All Over Face Produced Severe Itching - Year's Treatment by Physicians Did No Good and Became Despondent-Affected Parts Now Clear as Ever - Alabama Lady's

CURE BY THE **CUTICURA REMEDIES** 

"About four years ago I was afflicted with black splotches all over my face and a few covering my body, which produced a severe itching irritation, and which caused me a great deal of annoyance and suffering, to such an extent that I was forced to call in two of the leading physicians of my town. After a thorugh examination of the dreaded com plaint they announced it to be skin eczema in its worst form. They treated me for the same for the length of one ar, but the treatment did me no good inally I became despondent and led to discontinue their services. hortly afterwards, my husband in reading a copy of a weekly New York paper saw an advertisement of the Cuti-cura Remedies. He purchased the entire outfit, and after using the contents of the first bottle of Cuticura Resolven and Ointment, the breaking out entirely stopped. I continued the use of the Cuticura Remedies for six months, and after that every splotch was entirely gone and the affected parts were left as clear as ever. I have not felt a symp-tom of the eczema since, which was three

"The Cuticura Remedies not only cured me of that dreadful disease, eczema, but other complicated troubles as well; and I have been the means of others being cured of the same disease by the Cuticura Remedies, and I don't hesitate in saying that the Resolvent is the best blood medicine that the world has ever known." Lizzie E. Sleds

Intercolonial Pension Scheme. The government is about to estabployees. Some of these have been tion in 1904 and 1905. But he for a very long time connected with tainly the artful dodger. the road, and are advanced in years. They have, indeed, reached the period | St. Thomas is paying off some of when they should be retired, and the general municipal indebtedness with about making changes which would and light consummers? entail serious personal inconvenience. There is a superannuation scheme in

connection with the civil service, but singularly enough it does not affect this railway, which has always been a singularly enough it does not affect this railway, which has always been a singularly enough it does not affect the municipal of trying to turn a purely municipal who saw ruin to Canada in the liberal tries in Manitoba. Which is the result on foresight, but he has no hindsight. his railway, which has always been a public enterprise or utility. Now it is proposed to adopt a plan by which on the Intercolonial, will be provided tem. Oh no. They simply opposed the for when the age limit outlined in the efforts of the Roblin government to stolen in their entirety or in part by proposed law removes him from active make the question a party one. service. The proposal is the more acceptable in that it will clear the way, without any hardship, for the reorcanization of the railway force so that certain economies so long anticipated by the minister may be carried out.

The pension fund will be created by contributions from the men and from the government, and in such sum sums as will guarantee substantial aid to those who require it. The scheme is one which has been carefully worked out, and will, in practical operation, give the highest satisfaction It should receive the hearty endorse ment of parliament,

Women In Politics.

Women have been the faithful helpeached political distinction. wives of Disraeli and Gladstone contributed to their success more than of their biographies have not failed do them justice. The leaders parliament have their own cares and trials, and they can appreciate the sympathy, yea the encouragement, which they find at times when great courts are transpiring. The men in British public life whose names will live in history owed much to their wives and the inspiration which they

rave in many a political crisis. The press of to-day is giving to the eople a glimpse into the private life of Gambetta, whose political career n France was so very brilliant. There was a woman with whom he talked whom he laid all his worries and vexations, all his trials and triumphs, to whom he indited letters and them depicted with graphic lines emotions of his soul. Who can hese letters without realizing adoration he paid to her, and the

fluence she had upon his life? It is a woman who has affected the life of another public man, this time evilly. Hon. Mr. Green, commissioner of lands in the British Columbia government, has gone out of it, and for its good. He gave to this woman is formation regarding the Grand Trunk Pacific terminus that enabled her get an option on Kaien Island land, which the company had to buy. Sh made a fortune by the deal. As had her powers felt, and a contemporary questions if she will not prove the Nemesis of the McBride govern-

Women in politics become, then, an nteresting study. They are not good or conducive to good. It would a marvel if they were.
