

A CLEARING SALE

THAT WILL STAND FOR YEARS TO COME AS A RECORD-BREAKER

Thursday Morning, Jan. 10th

We shall start one of the greatest cut price sales that has ever been held in this city. Even the big stores in Toronto and Montreal never offered you such values as we shall. We have always sold just as low, and in many cases, lower than they have; but during this sale we shall knock them out entirely in

Men's, Young Men's, Boys' & Children's Suits, Overcoats, Etc.

Our stock must be cleared out or reduced to the lowest amount possible, as the carpenters and painters will be here next month to give the store a general overhauling and make some needed improvements. We have too much to move around. We stand to lose on Overcoats at the prices we shall sell them, but we would rather have the money and room than carry them as so much dead stock for the next eight months. Odd lines of Suits will be sacrificed. All other goods at manufacturers' prices. We quote here the prices on a few odd lines which will give you an idea of the money-saving chances we offer you.
