In this way the Grand Trunk means to maintain'its supremacy in Ontario, bidding defiance to all competitors. The plans for this colossal undertaking have been prepared under the direct supervision of F. H. McGuigan, fourth vice-president, who has an engineering staff for certain kinds of work under his direction, apart from that of the chief engineer. Mr. McGuigan is at present in the western part of the system, but it is reported that for a considerable time he has given this question the most

Kidney Disease and Sick Headache Completely

Just as the foregoing case shows how effective Bileans are in case of Indigestion, Constipation and allied ailments. the following experience of a British Columbia man and his wife shows their value in cases of kidney disease. When the kidneys are diseased, impurities are forced into the blood which should be expelled from the system, and being carried to the head by the circulation cause sick headache, nausea, dizziness, etc.

W. B. Haines, of Shortreed, B. C., says: - "My wife and I have been taking Bileans for some time. They have cured me of Kidney trouble and my wife of sick headache. I had had kidney trouble for 20 years, but now believe that I am entirely cured. Please find enclosed \$2.50, for which send me six boxes of Bileans. I believe they are a splendid family medicine."

Below is given the testimony of a famous artist whose health has been restored by Bileans. If you are ailing to-day, scores of preparations claim your attention. Why should you prefer Bilea s? There are several reasons. First, because they are specially compounded from rare vegetable es ences. Then because they act directly on the most important organs of the bidy-the liver and stomach. Because they are mild in operation. Because medical practitioners, art's's, nurses, housewives and men and women of wide experience have proved over and over again that Bileans permanently cure all liver and stomach disorders. Because Headache Indigestion, Biliousness, Female Alments, Constipation, Piles, etc., all originate from a certain morb d conti ion of the liver, digestive system and plood. Bileans cure these and other ailments by gelting right back at the root cause and correcting matters there. Now note Mr. Hand's experience below :--Mr. Arthur R. Hand, of Woodgreen Place, Toronto, the well known artist and teacher of painting on glass, china, etc., says :- I was very ill some months ago with acute Indigestion and Liver Disorder. Attacks of pain followed food. There was a constant feeling of uncomfortable fullness in the stomach, pains in the chest and under the shoulder blades and rifting and belching of gas. I had constipation so badly that no medicines seemed to have any effect on the bowels. dieted a great deal, but the slightest food brought the same distress. You can well imagine that as I did not digest my food properly my strength rapidly left me. I was very weak and emaciated when Bileans were brought to my attention but I determined to give them a trial. From the first few doses I got a little relief and I persevered with the remedy, giving it a fair trial. I left off everything else and in a short time found a wonderful difference. Each day I got better and better, and in the end Bileans cured me completely. Now my food digests very nicely and my bowels act quite naturally. "Before I took Bileaus my food did me no good, and I was losing weight rapidly. In a few months, through the use of this valuable remedy, my weight increased from 125 to 165 lbs. This increase, too, is not useless fat, but sound, healthy flesh."

> Bileans Cure piles, general debility, anamia, female ailments, rheumatism, blood impurities, liver and kidney complaint, headache, dizziness, wind, colds and chills, "those shivering feel! ings," and all liver and digestive disorders.
