THE SPORT REVIEW

MOORE'S INJURY A SERIOUS BLOW TO OTTAWA

"Bob" Scott Severely Criticized—States Island Cricket Club to Make a Canadian Tour—Bad Weather in England For Racing.

The loss of Moore is a serious blow to Ottawa, more serious than would appear to many who found in his game last season little that was worthy of praise.

Montreal Gazette: To trim Ottawa the champions must play better hockey than they showed Wednesday night, the chances that Montreal missed to tie up the score will not be missed by the forwards from the capital.

THE HOCKEY GAMES

14TH TEAM, DEFEATED AT PETERBORO

By 7 Goals to 2—Cadees II. Won From the Collegiates in a Junior Intercollegiate Contest By 7 to 4.

Cadees II team defeated the Collegiate Institute hockey team, last night, after a rather strenuous exhibition of loose hockey.

After five minutes' play from the start of the game considerable shuffling was indulged in by both teams. In the first half the Cadees were kept busy defending their net, as the K.C.I. boys took charge of the play.

THE VALUE OF CHARCOAL

Few People Know How Useful it is in Preserving Health Beauty.

Costs Nothing To Try. Nearly everybody knows that charcoal is the safest and most effective disinfectant and purifier in nature.

Charcoal is a remedy that you take of it, but simply absorb it. It is not for sale at your drug store, it can always be procured at James B. McLeod's.

Charcoal effectively clears and purifies the complexion, whitens teeth and further acts as a natural and eminently safe antiseptic.

It absorbs the injurious gases collect in the stomach and bowels, disinfects the mouth and throat, and the beauty of it is the poison of catarrh.

All druggists sell charcoal in form or another, but probably the best charcoal and the most for money is in Stuart's Charcoal Lozenges.

They are composed of the powdered Willow charcoal, and harmless antiseptics in tablet form or rather in the form of large, pleasant tasting lozenges, the charcoal also being mixed with honey.

The daily use of these lozenges room tell in a much improved tone of the general health, better digestion, sweeter breath and blood, and the beauty of it is no possible harm can result from continued use, but, on the contrary, it is a great benefit.

A Buffalo physician, in speaking of the benefits of charcoal, says: "I use Stuart's Charcoal Lozenges patients suffering from gas in stomach and bowels, and to clear the colon and purify the breath, mouth, throat; I also believe in their use greatly benefited by the daily use of them; they cost but twenty-five cents a box at drug stores, and all in some sense a patent preparation, yet I believe I get more and charcoal in Stuart's Charcoal Lozenges than in any of the ordinary coal tablets."

Send your name and address for a free trial package, and yourself. F. A. Stuart Co., 55 building, Marshall, Mich.
