The ladies of Brock street church JANUARY 22nd have always held the record for giving fine teas, and at last night's affair, they continued to hold their good record for they provided an excellent spread. The tables were nicely arranged, and the ladies did noble work in looking after the wants of all present.

Robert Meek was the chairman of dress. The pastor, Rev. Dr. Eby, was present, and handed the programme Rev. Dr. Crummy delivered his ad-

The Ross Rifle Contracts.

OPINION OF COL WORTHINGTON

Remedied-Efficiency Must Be hatched in London. the First Consideration-A Point as to Daniel Gillmor

From Our Own Correspondent. Ottawa. Jan. 15 .- It looks as if the opposition intended to create a scandal out of the Ross rifle contracts. At any rate many questions have been asked this session regarding that implement, and yesterday they culmina-ted in Col. Worthington bringing the matter up in the commons, yesterday, in the form of a motion for an order of the house for a return, showing: "Reports of commissions, boards of inquir- inspections, reports of individual officers, to the government, or any member thereof, including reports from the comptroller, commissioner, or any officer or member of the North-West Mounted Police, the Dominion Rifle Association, or any member

thereof, or the commandant, or any member of the Bisley team, regarding the efficiency of the Ross rifle.' ,Col. Worthington severely criticized the Ross rifle. He described it as the most expensive in the world, and cast, doubts upon its efficiency. The tests showed that it lacked endurance; the North-West Mounted Police had ceased using it, and the Canadian team at Bisley had abandoned it. People genepested that the government conduct some searching public tests.
