Notice Contractors to

SEALED TENDERS ADDRESSED to the undersigned, marked on the envelope "Tender for Construction" will be received at the omce of the Commission-ers of the Transcontinental Radway, at Ottawa, until twelve o'clock noon of the 14th day of February, 1907, for the work required for the construction, in accordance with the plans, profiles and for this dreas specifications of the Commissioners, for liberal offer. the following sections of the Transcen-(1) District "A."-From a point designated on the plans of the Commissioners ford to do without this long tried reat or hear the City of Moncton, in the medy. We know of no case where the Province of New Brunswick, westerly Pyramid Pile Cure has not brought

of New Brunswick and Quebec, a distance | self to give it a fair trial, especially (3) District "B."—From a point designated on the plans of the Commissioners ."I write to thank you and also at or near the Quebec Bridge, easterly for a distance of about 150 miles.

(4) District "B."—From a point designated on the plans of the Commissioners about 150 miles west of the Quebec all for such a wonderful and speedy making cheese, dressing the flax, spin-

point designated on the plans of the I believe has cured me entirely. I feel now in my possession that I made Commissioners about eight miles west of more myself now than I have felt in of homespun sixty years ago. We had the Abitibi River crossing easterly for a distance of about 150 miles. Plans, profiles and specifications may about that long with the piles. I who lived some distance off, and was gineer of the Commissioners at Ottawa: have told all my friends about this an occasional visitor. Before our wonderful discovery and will recom-St. John, N.B.; A. E. Doucet, Quebcc. P.Q.; and S. R. Poulin, North Ray.

Persons tendering are notified that ten- Tullahoma, Tenn. ders will not be considered unless made in duplicate, and on the printed forms supplied by the Commissioners. A separate tender must be submitted

Tenderers shall not be in any way entitled to rely upon the classification or any other information given by any person on behalf of the Commissioners, and before submitting any tender, bidders should make a careful examination of the plans, profiles, drawings and specifications, and read the forms to be executed, and fully inform themselves are careful examination of the sample package which we will send quantity and quality of materials, and character of workmanship required; and are understood to accept and agree to be Write to-day and prove to your own bound by the terms and conditions con- satisfaction that you can be cured tions, &c., annexed to the form of ten-

Each tender must be signed and sealed by all the nasties to the tender, and witnessed, and be accompanied by an ac-Dominion of Canada payable to the order of the Commissioners of the Transcontinental Railway, as follows:— For Section No. 1, District "A.," \$75,-

For Section No. 2, District "A.," \$90. For Section No. 3, District "B.," \$225,-For Section No. 4, District "B.," \$75. For Section No. 5, Districts "C." and Any person whose tender is accepted

shall, within ten days after the acceptproved security as may be required by the Commissioners; sign the contract, specifications and other documents requir-ed to be signed by the said Commissioners; and, in any case of refusal or failure on the part of the party whose tender is accepted to complete and execute a contract with the said Commissioners, and to furnish the additional amproved security within ten days after the acceptance of the tender, the said, cheque shall be forfeited to the Commis-sioners as liquidated damages for such refusal or failure, and all contract rights acquired by the acceptance of the tender shall be forfeited. The cheques deposited by parties whose tenders are accepted will be deposited to the credit of the Receiver General of Canada as part of the security for the due and faithful performance of the contract according to its terms. Cheques deposited by parties whose tenders are rejected will be re-turned within ten days after the signing of the contract. Attention is called to the following clauses in the form of contract :-

"All mechanics, labourers or other per-sons who perform labour for the purposes of the construction of the works hereby contracted for shall be paid such wages as are generally accepted as current for competent workmen in the dis-trict in which the work is being per-formed, and if there is no current rate in such district, then a fair and reasonable rate; and, in the event of a dispute arising as to what is the current or a fair and reasonable rate, it shall be determined by the Commissioners, whose decision shall be final." "This agreement is subject to the regulations now in force, or which may at any time hereafter be in force during the construction of the works hereby contracted for, made under the authority of the Department of Labour, and which

are or shall be applicable to such words." (The schedule of Minimum wages determined upon by said department will form part of the contract.)
"The contractor shall, in connection with the whole of the said work, as far as practicable, use only material, ma-chinery, plant, supplies and rolling stock manufactured or produced in Canada provided the same can be obtained as cheaply and upon as good terms in Can-ada as elsewhere, having regard to quality and price."

The contractor shall conform to the

fire regulations adopted by the Commis-sioners; and also to the laws and regu-Provinces Wherein the work is being per-P. E. RYAN.
