CHALMERS CHURCH.

Rev. Mr. Hassard, Field Secretary Delivers Interesting Address and Makes Strong Appeal in Support of the Work.

The severe weather last night did not prevent a large attendance at the annual meeting of the Bible Society, held in Chalmers church. Rev. Mr. Hassard, field secretary, was present, ed by stereopticon views, he reviewed support of the work. His address was la most interesting one. Rev. Mr. Hashe was listened to with keen attention on the part of his hearers. In the ab sence of the president, the Bishop of Ontario, G. M. Macdonnell, presided and Rev. J. Charles Villiers officiated at the opening prayer.

Mr. Macdonnell referred to the fact that the bishop was unable to preside, owing to his being present at a meeting in Toronto. Dean Farthing could not attend. Both gentlemen had expressed their sorrow at being unable to be present. The speaker was glad to welcome Dean Farthing as a new member of the society. The chair-

Rev. Mr. Hassard said that he was well pleased to learn that the society. had decided to retain their identification with Toronto headquarters, Toronto did not desire to have Kingston In reviewing the work of the society the speaker said that although this

work did not bulk as large as in the old n days, yet the time Lad come in Ontario and in Canada, when we must begin to realize that it must bulk larger in our minds, and that the good work should be encouraged. He refer red to the many languages in Which the Bible had been printed. Last year the Bible had, in Winnipey alone, been distributed in forty-three different languages. This was the highest record with the exception of one place, lohannesburg. South Africa, where the Bible had been issued in fifty-three languages. A great responsibility rested upon the Christian people of today, in that they should see that the Bible could be read by everyone. A great deal was heard about "Canada for Canadians." It was time that this selfish id a was given up, and the motto, "Canada for Christ." taken up. He referred especially to the formation of the Bible Society, the printtranslation. The great question to be greater effort be set forth. At the close, on motion of Rev. Mr. Manning and Rev. Mr. I aird, a hearty of vote of thanks was tendered Rev. Mr.
