How Children Are Quickly Strengthened.

Develop Them With Ferrozone, Which Makes Rich Blood, Hardy Muscle, Steady Nerves.

Children brought up on Ferrozone are known by their strong rugged frames, their chubby cheeks and healthful appearance.

Mothers find it an indispensable tonic and body builder, and in thousands of homes no other remedy is used.

Mrs. E. Montgomery, of Pittsburg, writes: "A little niece came to visit me, and noticing her pale and haggard looks, I started her on a course of Ferrozone. The change that girl underwent in a few weeks was marvellous. Her appetite chirped up, she had more spirit and strength, and a rosy color came into her cheeks that I never saw there before. I weighed my niece about the time she started to pick up, and in seven weeks she gained almost eight pounds, and just looked the picture of health. I think this should be an example to many mothers, and I hope that others will try Ferrozone for their little boys and girls. I am thoroughly convinced that it's the most strengthening tonic. It has my strongest endorsement."

Every child improves on Ferrozone

The reason Ferrozone works so beneficially with Ferrozone is that it acts directly on the blood, freeing it of all unhealthy matter, at the same time giving it an additional supply of iron.

This at once results in more strength, new spirit and renewed vitality. Just one tablet at meal time works wonders.

Refuse to accept any article the druggist may say is just as good. Get Ferrozone, and the result we guarantee will be satisfactory. Price, 50c. per box or six boxes for $2.50, at all dealers.

STRATHCONA REPORTS.

Had Communion Service For the First Time in Years.

Strathcona, Jan. 15.—Sacramental service was held in the Methodist church a week ago Sunday for the first time in years. This service is always held at Newburgh, which seems hardly fair, as many have no means of getting to church there, except to walk. Mrs. B. Rose entertained a few friends, Friday evening. John Madden is still laid up by his injuries. He was badly injured by a kick from a horse. His father, Robert Madden, is seriously ill. Mr. Cooper is slowly improving. J. W. Walker, who had a severe attack of blood-poisoning, is at last improving.

Messrs. W. and E. Lasher are pressing hay from stacks. Alfred Knight was the guest of his sister-in-law, Mrs. Lott, a week ago Sunday. Mrs. John Wagar and Mrs. C. Hilton, are on the sick list. The annual meeting of the public library board was held on Monday evening.

Robert Shelter, of the Newburgh Road, lost a valuable horse last week. Miss Maggie Shelter, who died in Toronto recently of pneumonia, was born and raised here. She was a daughter of the late Andrew Shelter, he being a pioneer settler. The remains were taken to Napanee, and deposited in the vault. There are two brothers and two sisters residing in Napanee, besides other relatives here. The news reached here that Harry Granger, who left here some time ago to reside in the west, met with a very serious and painful accident by scalding his feet, which will probably lay him up for some time.

NEWS OF YARKER.

Two Old Residents Dead—Talk of Election Protest.

Yarker, Jan. 16.—The whole country seems to be in the grip of grippe, and doctors have had a very busy time. Scarcely a home has escaped. Yarker has lost two residents, the last few days, the mother of John O'Mara and Mrs. George Dear passed away. Mrs. Jed Irish is very low and not expected to recover. Ice harvesting has commenced in the country. The ice is about sixteen inches thick. Rev. Mr. Farnsworth will officiate at Tamworth next Sunday. Rev. Mr. Dibb preached in St. Anthony's church, here, last Sunday. Mrs. John Wright and Mrs. S. Winter returned home from Varty Lake, where they had been visiting Mrs. R. Galbraith.

Miss Cassie Martin, nurse in training, in Kingston general hospital, is home for a few days. Hub timber is now being brought in by the farmers, and brings six dollars a cord. Two carloads of lumber arrived for E. W. Benjamin. He intends to build extensively the coming summer. H. A. Baker left here, to-day, for Cuba, and will remain there until the flowers bloom again here. Talk of protesting the township election is rife, owing to alleged irregularities. But, pshaw! Don't you know that all nominees of Centreville caucus are sure of election? The children are having a few holidays, owing to the illness of teachers.

Wedding At Marlbank.

Rev. Mr. Jones of Tamworth, who has probably married more couples during the past nine years than any other minister in Lennox and Addington, had another wedding on Wednesday, when Harry Stewart Morgan, of Marlbank, was married to Mabel Winnifred McGuinness, of Roblin. The ceremony occurred at St. Matthew's church, Marlbank, at eleven a.m. The church was filled with guests and the choir ably assisted. The bride was gowned in white silk and wore a veil with a wreath of white roses. Her cousin, Miss Carrie McGuinness, of Napanee, acted as bridesmaid, while H. Van Alystine, assisted the groom. The happy party drove to the McGuinness homestead and after the accustomed good things had been well patronized the happy pair left for parts unknown. On their return they settle on a farm at Roblin.

Bamboo pens still retain their hold in India, where they have been in use for more than one thousand years.
