O'Donohue, (like John Mitchell, the mining leader), lost some friends and upporters sometimes because Mitchell just reports that thousands of miners have left the union. Why? It is not stated, but the secret is perheadstrong people. Diplomacy wins,

lowever, when demands fail. The lesson of O'Donohue's life that intelligence, reason and energy plied? combined command attention and respect. His death, says Mr. Mackenzie King, his chief, was caused by overpublic service which excites both tite egard and admiration of the people.

The Clothing Tax. A friend has shown The Weekly un, of Toronto, a lot of samples of cloth done up in packages, received rom a firm of old country tailors In each package there is printed, in ollars and cents, the cost of a made to order. There were sent with neasurement, so that the receiver could send his measure, accompanied with the price, and have the goods

shipped to his address in Canada. "The prices at which these made-toorder suits are offered, free on board n Fagland, vary from \$4.76 to \$19.50," says the Sun. "The cheapest of the cloth gives promise of excellent service, and some really choice samcomplete outfit could be selected from the samples offered, which, laid lown here, with freight and thirty per cent. duty paid, would not cost ore than a ready-made suit of equa mality purchased in this country. umples, such as are in possession The Sun, could be distributed very farmhouse in Ontario, farmers would realize even more clearly than they do now just how much the custrons of the sweat shop, we hope; at their grain to market.
