Cause A Mystery.
Frankfort-on-the-Main, Jan. 30.—A
despatch to the Zeitung from Saar-
brücken says there are still seventy-
two bodies underground in the Red
on mine. Out of the bodies brought
out, only twenty-four have been re-
cognized; the others are so burned
that their identity cannot be estab-
lished. One woman became demented
when she was confronted by her hus-
band alive, she having believed him
to be dead. The cause of the explosion
still remains a mystery.
