GETS RECORD SALARY.

London, Feb. 5.-Prince and Princess de Broglie seemed particularly happy, at the Tivoli, last night, for they signed a contract in London, yester day, with the director of the Scala, Paris, to appear there for a month beginning in May, at a salary of \$3,000 a week-a record salary for Paris. There is also a clause in their contract indemnifying them up to a sum of \$40,000 against injury during such time as they shall be in the Scala carrying out their engagement. Prince de Broglie said, last night that he is officially informed that his family will do all in their power to frevent him and the princess from appearing in Paris. Before appearing there they will

both fulfil a month's engagement at the Winter Garden, Berlin, and they are now considering offers from Brussels and Vienna. We are seeking engagements on our artistic merits solely, said Prince
