STORY OF "SALOME" Mrs. Cora B. Miller Makes a Fortune OUT QUITE A BIT York Ginger Ale

is made of ideally pure York Springs Water and sugar, with pure vegetable aromatics and Jamaica gingerroot. There is hardly another drink so allaying of thirst; and it is a mild and healthful stimulant.

The quality of the ginger and aromatics used accounts for the spicy pungency, the fragrant aroma, and the delicious flavor of York Ginger Ale. The purity of all the ingredients accounts for the good this beverage does people with weak stomachs,

But all ginger ale doesn't owe its flavor to ginger root. Too much of it gets pungency from cayenne pepper (capsicum).

Too much of it has the harsh, corrosiveness of vitriol, instead of the healthful acidity of lemons.

Some ginger ale is sickly-sweet with saccharine. The use of saccharine is prohibited in those countries where pure-food laws are enforced. Pure sugar, of the best quality, sweetens York Ginger Ale.

You run risks when you drink cayenne-peppered ginger aleand the more of it you drink, the dryer your throat gets. It burns,

You run risks when you drink ginger ale dosed with glucose or sugar-substitutes,-upsets your digestion, affects your kidneys.

But you run no risk when you drink this pure, honest, wholesome York Ginger Ale, though you pay about the same for it as for spurious ginger ale. Look at the label so you can be sure you get the purest, most aromatic, most refreshing ginger ale made. It is safe to drink, inexpensive to buy, sure to satisfy, when it is labelled
