Tokio, Feb. 12.-The supplemental oudget shows that the largest item is debt charge of \$82,500,000, of which \$15,000,000 is for redemption. The increase in the ordinary expenses of the army and navy is only \$3,800,000. The garrisons of Corea and Manchuria will be reduced by one division each. The army and navy appropriations amount altogether to 895,000,000, but no mention is made of the progress of the monster battleships now under construction at the government yards, and in England. The Japanese railway guards in Manchuria will be an independent corps of volunteers.
