is the way people in China say "Good Morning." The greeting of almost every nation is an inquiry after health. The Chinese have the root of the matter. A strong stomach is the foundation. Look after this organ and the general health cares for itself. Man is so coastituted it cannot be otherwise. It is

to keep the stomach well, the liver active and the bowels regular. They dispel sickness and create health. Dyspepsia, Indigestion, Biliousness or Constipation cannot exist when Beecham's Pills are used according to directions. For over 50 years they have cured disordered stomachs, and are now a world-famous remedy. They merit your Sold Everywhere in Canada and U. S.

America. In boxes 25 cents.

SYNOPSIS OF CANADIAN NGRTH-WEST HOMESTEAD REGULATIONS,

Any even numbered section of Domia ton Lands in Manitoba or the North West Province, excepting 8 and 26, not reserved, may be homesteaded by any person the sole head of a family, or make over 18 years of the sole head of a family. over 18 years of age, to the extent of what relief they have given when hand one-quarter section, of 160 acres, more taken for dyspepsia, dizziness, pains pr less.
Application for homestead entry or inapplicant at the office of the local Agent "Are you s

An application for entry or inspection made personally at any Sub-agent's office may be wired to the local Agent by the Sub-agent, and if the land applied for is vacant on receipt of the telegram such application is to have priority and the land will be held until the necessary papers to complete the transaction are received by mail.

In case of "personation" the entry will be case of "personation" the entry will be light committee, has or-An applicant for inspection must be eligible for homestead entry, and only

application has been disposed of relinquish it in favour of father, mother on the market has created considerable sergeants' mess, at Tete de l'ont bareligible, but to no one else, on filing de surprise and comment. The favorable races, Monday night, and all present

Applicants for inspection must state it what particulars the homesteader is it default, and if subsequentry the state ment is found to be incorrect in mater ial particulars, the applicant will loss any prior right of re-entry should the land become vacant, or if entry has been placed upon the market so far. Those who are well posted upon the location of this property and the development work done think it a low price for the shares and predict a great advance in the near future. Confoliowing plans in (1) At least six months' residence unon and cultivation of the land in each year during the term of three years.

(2) If the father (or mother, if the father is deceased) of a homesteader resides upon a farm in the vicinity of the land entered for by such homesteader the requirement as to residence may be satisfied by such person residing with the (3) If the settler has his permanent residence upon farming land owned by nim in the vicinity of his homestead,

the settler must give six months' notice the settler must give six months' notice in writing to the Commissioner of Dominion Lands at Ottawa, of his inten-
