At 15 Cents Per Share

This map can be relied upon for accuracy as to location of the mines indicated. It is drawn from and upon the same scale as the official maps. The shaft-houses indicate the correct locations of the working of the mines. Silver Bird may be seen in the centre of the map.

SILVER BIRD is surrounded by the greatest producing mines in the Cob. lt District.

SILVER BIRD is absolutely inside property, consisting of twenty acres (patented), being the west half of the north-east quarter of the north half of Lot 3, concession 6, Coleman.

FILVER BIRD is a mine in full operation, with two 25 h.p. boilers, steam holst, steam drills and all machinery and buildings

SILVER BIRD is working two shifts and is in full operation both day and night, sinking upon three veins and in the same formations identical y as in the O'Brien, Timmins and Right of Way mines and lying immediately between these mines and the Green-Mechan, Red Rock, Cobalt Contact and Nipissing Extension. The veins are broadening out and are increasing in values, with depth now 40 ft. in shaft. SILVER BIRD has no indebtedness; there are no incumbrances against the property or stock of the company. The capitalization of The Silver Bird Cobalt Mines, Limited, is but \$1,500,000.00, par value of the shares \$1.00 each, with 500,000 shares in the treasury, of which 200,000 shares are now offered to the public for subscription at 15 cents per share.

Considering the inside location of the property, development done, results obtained, low capitalization and the large amount of shares in the treasury, this is unquestionably one of the best bargains (if not the greatest bargain) that has been offered in Cobalt mining shares. We predict this first allotment will be largely oversubscribed and we arge that early application be made.

To guard against over-issue and to guarantee to investors the genuineness of the certificates when issued-also the prompt and safe delivery of same-arrangements have been made with The Trusts and Guarantee Company; Limited, 14 King street west, Toronto, to act as Trustees, Transfer Agents and Registrars.
