#### Woman's Friend During Change of Life

Dear Mrs. Pinkham: —I owe my splendid health to Lydia E. Pinkham's Vegetable Compound. I am the mother of three children, have safely passed the change of life, and feel as young and strong as I did twenty years ago, and this is all due to your friend of women, Lydia E Pinkham's Vegetable Compound. I took it before my children were born, and it greatly assisted nature and saved me much pain, and during change of life I took it off and on for four years, and had but little trouble and sickness such as most women have to MRS. JAMES K. MANN, 806 Bathhurst Street, Toronto, Canada.

The whole secret of safety at this time of life is thorough preparation before the change begins. Fortify the system with a course of Lydia E. Pinkham's Vegetable Compound. This wonderful medicine has carried thousands of women through this danger period.

No such helpful advice to women who are sick can be had anywhere as will be received free by addressing Mrs. Pinkham, Lynn, Mass. Mrs. Pinkham is daughter-in-law of Lydia E.
