THAT ARE AT PRESENT FORCE IN NAVY.

The Music Hall Fight Has Been Turned Over to An Arbitrator -The Hopes of the Irish People For Home Rule Are to nut hair, and fine hazel eyes. Be Fulfilled Says Secretary in Loretto, in the beautiful

London, Feb. 14.-It is stated on high authority that Admiral Lord appointed to the command of the of forty, Channel fleet, has declined to assume the command under the present limited conditions. He holds that the fleet as at present constituted is altogether too inadequate for the pur-

The tariff reformers have decided to raising the whole question of colonial

In the debate on the reply to the speech-from the throne, in the House of Commons, yesterday, Walter Hume Long, at one time chief secretary for Ireland, raised the Irish question, and Augustine Birrell, the present chief secretary, replied that he, like Premier Sampbell-Bannerman, was perfectly satisfied that the only solution satisfactory to the great majority of the Irish people is what is generally called the home rule bill, and that neither he nor the premier would assume responsibility for any measure likely to obstruct or interfere with the fulfilment of these hopes. This state ment was greeted with loud ministeri al and nationalist cheers.

The contending parties in the music hall fight have accepted the arbitra tion of G. R. Askwith, K.C. ing to abide by Mr. Askwith's deci sion. The banned halls will stay banned, pending this, but the National Alliance undertakes to abstain from further aggression against the

UNUSUAL EVENT.

Widow and Widower and Daughter of Each Married. Montreal, Feb. 14.-Wednesday somewhat unusual matrimonial event was celebrated at the parish church of St. Louis de Mile End, when elderly widower, a father of five chil dren, was married to a widow, who also had five children. At the same service a daughter of the bride and daughter of the groom were also married. Special permission was granted the younger couples to undergo the marriage ceremony outside of their respective parishes in order that the parents and children might join in the west.
