Writing in The Schools.

The writing in the public schools of Education Thursday evening. This writing is not as good as it ought to tees, but the cause of this dissatisfac tion is hard to determine. The sytem has been changed, and it tak tails. The hand of the pupil may changed, but opinions differ as to hov

fast this change can be made. It is about three years since the vertical system of penmanship was abanparents found fault with it, and medium-slant-a cross between the vertical and slant-was adopted. The change should have been pretty radithe results attained have not been quite satisfactory. This raises a new issue the efficacy of the direction towards change or the merits of the sys-

tem itself. There is undoubtedly something the contention that "system" is not everything. The individuality of pupil or teacher will assert itself irrethat is inspiring, that raises the ideals of the pupils, that instills spirit of conciliation into them. The When some people have nothing else

than make the scholars realize the neatness and beauty of her work.

Care Of The Imbeciles.

dom of Dr. Smith's declarations repecting the imbecile and pauper poor striction placed upon the poor, and t the extent of preventing the matrinonial alliances that are followed gen

### LEARN DRESSMAKING IN TWO

Have you commenced your spring and summer sewing? Are you interested in Dress Making, either professionally or for your own family sewing. If so do not miss this course. We teach you everything from the plainest shirt wais t to the most elaborate toilette that can be found in the fashion books. Not only the lining, but all the outer goods in coats, skirts, waists, wrappers, sleeves, children's dresses, collars, etc. Why spend months at a shop and then after having served months there, what do you know about cutting? Absolutely nothing ! For you will know no more how to cut out a dress at end of year than you did the first day you went there. So why spend your time there when we can teach you in two weeks. Within the past 6 years we have taught over 2,000 in this way, in Western Ontario. No pay in advance and none at end unless thoroughly satisfied. You can all come and try for a week to Charge for full course will be only \$10 to be paid after com-
