You can't have color and health till your system is healthy and better blood.

Health isn't possible so long as your liver and kidneys are inactive, and this is the trouble with the majority of anaemic, pallid women.

My remedy overcomes your difficulty. It is purely vegetable, composed of health-giving extracts like Mandrake, Butterbean and Dandelion, in combination with other agents that I have proved to be necessary in renovating the blood.

This wonderful remedy I call Dr. Hamilton's Pills of Mandrake and Bistard.

ANNIVERSARY DAY

CELEBRATION AT ST. ANDREW'S CHURCH.

Rev. John Mackay, of Crescent Street Church, Montreal, preached at both services.

Sunday was anniversary day at St. Andrew's church, and the services of the day were especially interesting.

The day marked the seventeenth anniversary of the dedication of the present church, and the 163rd of St. Andrew's.

Rev. John Mackay, pastor of Crescent street church, Montreal, occupied the pulpit at both services, and preached thoughtful and instructive sermons.

The attendance was large at both the morning and evening services.

In the morning, Rev. Mr. Mackay preached from the text, Exodus xx, 2: "Remember the Sabbath day, to keep it holy."

In the present day, a great deal was heard about the material side of life, and the speaker did not believe that this age should be as strenuous as the days of old.

Prof. Babington, of the University of Toronto, made a most impressive and moving address.

At the evening service, Rev. Mr. Mackay chose as his text, Romans vii, 2: "And ye are not under the law, but under grace."

Brooks the Winner. The wrestling match in Ontario hall on Saturday evening, between W. H. Brooks, of Kingston, formerly of Perth Road, and T. W. Westrook, of Waterford, N.Y., was won by the local man.

Brooks got the first fall in two minutes and the second in seven minutes. Mr. Reil of Elginburg, was referee. Another Waterford wrestler has challenged the winner.

As a preliminary, Young Hawkey and O'Neil had a match for the match and Hawkey succeeded in taking the first and third downs and his opponent got the second fall.

Brooks presents a fine appearance on the mat. Westrook is about the same weight as Brooks, but is not so stocky, and was not in as good conditions as his opponent.

Hockey Notes. Harry Smith is again out of the Ottawa, having recovered from his illness.

Eastern League results on Saturday night: Ottawa, 16; Victorias, 7; Wanderers, 13; Quebec, 5.

DR. WILSON'S SERMON.

Queen Street Methodist church was crowded to the doors on Sunday evening to hear Rev. Henry Wilson, D.D., of New York.

The opening exercises and Dr. Wilson preached an earnest, helpful, hopeful sermon from Job xxxv, 10: "There is God my maker who giveth songs in the night."

It was an appeal to Christians to manifest their hope and faith and love in the Divine Christ in song and influence, and action, so that the hopeless, faithless and the unlovely might be inspired and helped and the night of their pilgrimage illumined and made bright.

It was a sermon of life and purpose, just such an appeal as an earnest, devoted and consecrated man of God would preach. He urged that men would let God, through them, revive and stimulate this old and much beloved city.

His illustrations were apt and pathetic. The male quartette sang "Rock of Ages" in fine style.

He was born in Ernestown, where many relatives reside. He came to Kingston when a small boy and for many years was one of the most popular grocery clerks in the city, in the employment of J. Gilbert. Everybody liked "Edge" Card for his gentle manner and courteous attentions as a clerk. His young widow and one child at Ogdensburg (her home) have the sympathy of his many friends in Kingston.

A Reporter of The British Whig Interviews Our Local Druggist, George W. Mahood.

The Interview of Interest to Every Person in Kingston. So many patent medicines and advertised cures are now offered to the public that our readers should be glad to know the opinion of a man who has spent years in handling them and profit by his advice.

Said Mr. Mahood: "After having sold drugs and all kinds and makes of medicines for so many years, naturally we have learned something about them, their value, and power to cure."

"There is no one medicine that will cure everything, but this I do know, that if the people of Kingston only realized the wonderful curative and strength-creating power of Vinol, it would not have clerks enough in my store to put up the orders for it."

Continued Mr. Mahood: "You see Vinol is not a patent medicine, and it actually does contain every one of the 50 best medicinal curatives taken from fresh cod' livers, with other vitalizing ingredients. It contains no poisonous drugs or nauseating oil, and you know just what you are taking. Vinol has wonderful life-giving properties; it tones up and invigorates every organ of the body to do its work, and we know it will make rich, red blood, build up the depleted system and create strength."

"When I tell you that we have never sold in our store such a valuable remedy as Vinol for the following ailments, and that if it fails to accomplish what we say it will, we will refund your money, it will show our faith in its wonderful curative and vitalizing powers. It will build up run-down, tired, debilitated people. It will make weak and sickly strong and well. It will make flesh for thin people. It will increase the appetite. It will cure nervousness, irritability and sleeplessness. It will cure stomach troubles, dyspepsia and indigestion. It will make rich, red blood. It will make weak, puny, ailing children strong and robust. It is the great strengthener and body builder in the world for old people. It is a great strengthener for weak women. It is a boon to nursing mothers. It will positively cure chronic coughs and colds. It cures bronchitis. It makes weak lungs strong and is of untold value in consumption and all wasting diseases. For the consumptive it has no equal as a strength maker."

"I cannot make a stronger statement and can only ask such people in Kingston to try Vinol on my return."
