Daily Whig.

Managing Director.

Franchise Grabbers Abroad. Chatham is reported to be suffering of the city council. The World the Whig gleans the story. Last fall a company undertook to deliver natural gas in the city at 20c, per thousand feet to private consumers and 15c. per thousand feet to manufacturers.

ompany to sell its product, and this arrangement had the sanction of the council under a perpetual charter. Right here one is struck with amazenent. Perpetual charters were the upreme follies of councils years ago, before it became apparent that they were perpetual iniquities. Some of the bad bargains of former days have been corrected with recent legislation, and by compromises the most expen-

kind should have been sufficient.

was badly fooled it was given the as- | 000 annually. surance or pledge that the natural gas would be purified so that it could be used more freely. This pledge or contract is being violated. The people urely have redress, and it should be application that has been made to the Ottawa government for a charter which will legalize the franchise grab and all that it implies.

The government at Ottawa will de well to look into all the facts of th case. The World is somewhat hysterical on the subject of public owners ship, but there is a case here which warns parliament against hasty or immature legislation.

Giving Some Candid Advice. Have you read the Hossack letter t Premier Whitney? It is a remarkable epistle, bristling with thoughts that are remarkable for their vigour directness. Rev. Mr. Hossack is the clergyman who fulminated so strongly against the Ross government on temperance question. He called himself a liberal, who, disappointed because the government would not go so far as he expected, assailed it furious ly. His letters became great campaign ammunition for the conservatives.

Mr. Hossack now reminds Mr. Whit-If there is pain in the back and new of the fact that in the fact genethrough the hips, you need Bu-Ju. ral election he said something to the you need Bu-Ju. If there are head. edvantage of the conservative party. Toronto Star. aches or neuralgia, you need Bu-Ju. The premier had been a long time be fore the people and "had not been there is a constant desire to urinate. | chosen for office." He succeeded eventyou need Bu-Ju. If the urine is wally but the efforts he made during take to when the day of wrath comes. reddish, cloudy, milky, hot and the contest "had little effect on the ially if you are tortured with In- result." The reverend gentleman in his flammatory or Muscular Rheumat- candour goes further and says : "The ism, Sciatica, Lumbago, you cer- people gave you little attention

They were absorbed in the pursuit of

The writer of the letter gracefully proceeds to the discussion of his grievance. It is not necessary to pass out any bouquets to the premier. "So long as you remain in office and control the spoils of office you will hear heard of for Kidney Trouble, without even receiving relief. I would strongly advise anyone suffering from Kidney Trouble to take Bu-Ju ers." And lest his admiration be too without delay.

CHAS. E. LUSTY.

steady and embarrassing Mr. Hossack advises him to get rid of the threecure, 50c. a large box. At druggists, or fiths feature of the Liquor License act, which feature he compares with club. It can be used in beating one party into insensibility and that party he one that is in the minority.

The government is advised to get learning what there is in it for the Gill away from a position that is incefensible. The three-fifths majority clause is championed on the ground that the law would be inefficient without it, public opinion behind it being weak. Mr. Hossack says the law depends on the men who are appointed to enforce it, and if they will not act

without a sting. There is no threat in it. It is simply intimated that the government s majority is stronger now than it will be later, Mr. Hobbs' protest is more attractive. It conveys the idea that the man who enunciates it will stand no nonsense, but will fire more than blank cartridge at the enemy in the next engagement.

The Toronto News has it that privately there are liberals who favour the Whitney administration, and privately there are conservatives who op-Cook's Cotton Root Compound, clined to talk much. The circum-
