FIGHT OF O. H. A. AGAINST PROFESSIONALISM.

The 14th Hockey Team Can Win -Wholesalers Won City League Match-To Play at Napanee-General Sport.

est action it took was with regard to a Berlin player, who failed to obey a summons to appear and show proof that Berlin finds itself out of the O. Luke's club crazy over it that its towns took to played on March 1st and 8th. hiring players, thinking that no ob-The O.H.A. with a membership of

several hundred clubs, is trying to matches and in this endeavor it will have the support of Kingston, whose hockey teams have the reputation of never being in any way tainted with pro-fessionalism. Kingston has won chamso. The local senior team, the 14th, is thoroughly amateur in standing.
Why should Kingston or other places suffer the handicap of being forced out of a championship race by teams that are partly if not wholly professional n their make up? For several years past, wonder was expressed that King O.H.A. The reason has very often been given. There was no intention here of paying players, and while other places gathered together a paid aggregation, it seemed useless for another place to put a team of home-brewed amateurs on the ice. The paying of players could hockey was used to winning championships, and in these later days a championship is not regarded with such covetousness as it is in other

estige of amateurism is to remain and even if whole teams are thrown

Prospects Of The 14th. The 14th bockey team has remained ntact right through the senson, and the same players as it started out with. All of them are sensoned. They play well together, and have improvthat counts. Good headwork won for of a good bundle of sticks when all the 14th in Toronto on Monday night, the dead-heads are considered The Kingston defence played their Toronto Globe: The crooks who positions, while Midland's cover-point have given hookey and other storts of and point were often enticed out to setback in various places throughout their sorrow. If the 14th continue Ontario, are, as a rule, pretty strongtheir steady play, they can win the ly entrenched locally, and able to supare now within reach. A little practice pernicious activity. > General Soprt. Yale will decline the suggestion from Harvard that professional coaches be bolished for athletic teams. At New York, Miss Fredg Meyer, th English lawn tennis expert, was d feated in the opening play of the eighth national indoor lawn tenni hampionship tournament.

Cleveland's ball club will, this year pay in salaries to its ball players something over \$4,000 more than was paid last year. It has long been the custom of the Cleveland club to reward merit with cash, and this year will be the banner year. Last year was the prize year for salaries, the Cleveland players, as a club, receiving more money even than they did while playing under wartime salaries. The Queensland Union has a representative in San Francisco, who is trying to arrange games with college teams in the western states, and he will come east and arrange games with the Tigers and probably the Argonants, of Toronto; Rough Riders, of Ottawa; and the Montreal team. The dates will be arranged so as not to conflict with the league games of the latter teams, but will likely be played about the time the Canadian rugbs

senson is at its height. AT THE GRAND. 'The Sleeping Beauty And Th

Although the theatrical segsons for ome time past have resulted in many new productions of e more or less novel character, yet the absolute novelty presented is "The Sleeping Beauty and the Beast," which is a revelation that astonishes even those who fancied they had seen the best that could be done in that direction. At the Grand on Thursday, February 21st,

Thorns And Orange Blossoms. "Thorns and Orange Blossoms" is not a lurid melodrama, but a comedyrama, with a set of characters that are thoroughly interesting. Rowland and Clifford have mounted this nev play superbly and it is one of the te productions that is being exploited by his progressive firm this season. "Thorns and Orange Blossoms" will be presented at the Grand on Saturay, February 23rd, mating and

# A SCHEME SUGGESTED FOR

ITS IMPROVEMENT.

More Wharfage Could Easily Arranged-The Martello Tower Should Be Razed and the Bridge Removed.

Kingston, Feb. 16.-(To the Editor) a Your readers will likely rememperhaps as praiseworthy a manner as night, and the game would prove a last a correspondent in your paper, it was possible for it to do. The lat- drawing card. Kingston's Progress," advocated the building of very much-needed and suitable wharf accommodation in Kingston harbor, owing to the lack the summons, evidently because he half. Crumley's play St. James, and onired utility nearly all of what little quired utility, nearly all of what little we had of it having been utilized and absorbed by other progressive enter-

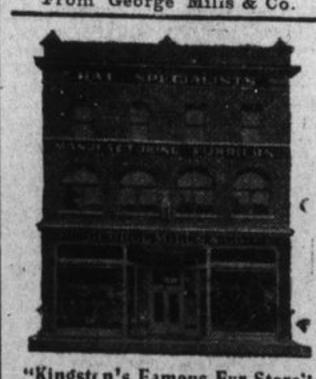

> There is the space lying between the Folger and Swift's wharves, where, he said, there is room for two wharves. Next in order would be to carry the G.T.R. wharf out in the same manner, and a third or fourth could be constructed between the Kingston Foundry and Maitland street, near the Yacht Club boathouse. Between these wharves ample and commodious basins would be left for crafts of all sizes now, we have one tremendously large streets basin, being the whole harbor, but no wharfage, but what is to be had at Swift's and Folger's, altogether too imited for the extra requirements which larger docks are needed for.

Then it is claimed by some that allow the Martello tower to remain where it is it forms nothing but an bor and should be removed, which which it stands, being a rocky shoal, might be passed to that effect. could be utilized in filling in the Alderman Toye could meet all alone. wharves which I advocate the building of, as the tower is neither ornamental or useful, not even being of suffian old sentimental landmark or fortification, nor never was. Nor is it tario government for non-pay pati needed as a beacon on which to place harbor lights, and the present time is a very opportune one, while the gineers are examining our harbor for shouls and other obstructions which interiere with navigation or shipping in any form, with a view to its re-
