HAD EXPOSED GAPON. Fears Assassination and

Paris, Feb. 22.-An element of mys- War. ery surrounds the death of a Russian savant named Vilbonchevitch, who has been found dead in his a partment in the Montparnasse quarter. The deceased was a militant revolutionary and was known to be in close touch with the terrorists of St. Petersburg. Near the body, which was lying on the floor, was a broken glass, at the bottom of which were a few drops of

vanide of potassium. The man evidently committed sui eide, but at first no motive could b found for the "deed. A clue has now been furnished by an anonymous letter sent to the police. This is to the effect that Vilbonchevitch had been Any person requiring such help, sentenced to death for failing to carry out a commission entrusted to him. and that he anticipated the sentence of the revolutionaries by becoming his wn executioner. He was instrumental in exposing the treachery of Father Gapon, and kept the revolutionary on committee posted as to his move-
