As proof of this theory we call at-Beaubien, 58 Sparks St., Ottawa, Ont. who was completely cared by Lydia E. Pinkham's Vegetable Compound after everything else had failed. She writes: Dear Mrs. Pinkham:

I dieted and doctored without success; but Lydia E. Pinkham's Vegetable Compound brought me permanent relief. I used three bottles and it cured me of my stomach trouble and built up my general health. I now enjoy a splendid appetite, can eat all kinds of food, have no trouble with indigestion, and know that I owe it all to Lydia E. Pinkham's Vegetable Compound.

No other medicine in the world has received such widespread and unqualified endorsement, or has such a record of cures of female troubles, as has Lydia E. Pinkham's Vegetable Compound.
