> By-Laws To Pass. There are several new and revised t aws, which the city solicitor wishe passed at once by the city council and that is why a special meeting will have to be held. One of these by-laws is with regard to egress from public buildings. This by-law has been drawn to suit the times, and makes certain provisions which a num-ber of public buildings do not at prelesent comply with. The plumbing by law has not yet reached its second reading, but there are hopes that it may go to that stage in the sweet by-and-bye.
