

But does NOT Tell Him All.

BOVRIL

Will build You up

A run down condition of the system is due to improper nourishment.

What you need is a food, not a tonic. Beef is the most nourishing food there is and therefore the best for building up a run down condition.

But the difficulty with beef is that many people find it hard to digest.

BOVRIL contains all the nourishing properties of beef in a highly concentrated form, easily assimilated by the most delicate stomach.

KIDNEY DISEASE COMES ON QUIETLY

Perhaps no other organs work harder than the kidneys to preserve the general health of the body and most people are troubled with some form of Kidney Complaint, but do not suspect it. It may have been in the system for some time. There may have been backache, swelling of the feet and ankles, disturbances of the urinary organs, such as, brick dust deposit in the urine, highly colored, scanty or cloudy urine, bladder pains, frequent or suppressed urination, burning sensations when urinating, etc.

Do not neglect any of these symptoms, for, if neglected they will eventually lead to Bright's Disease, Dropsy and Diabetes. On the first sign of anything wrong Doan's Kidney Pills should be taken.

They go to the seat of trouble, strengthen the kidneys and help them to filter the blood properly and flush out all the impurities which cause kidney trouble. Mr. Thomas Peaty, Massey, Ont., writes: "After I arrived in Canada from New Zealand, a couple of years ago, I suffered very much from kidney trouble. I tried several remedies, but they did me no good. Finally my back became so lame I could scarcely work. I was advised to try Doan's Kidney Pills and after taking them I feel like a new man."

Price 50 cents per box or 3 boxes for \$1.25 at all dealers or mailed direct on receipt of the price by The Doan Kidney Pill Co., Toronto, Ont.

GRAND OPERA HOUSE. Production "The Volunteer Organist" on Saturday. At the Grand, on Saturday afternoon and evening W. W. Newcomb presented "The Volunteer Organist" to two large audiences. The play deals with the life of Howard Sturges, a minister in a small town, and the struggle of his tramp brother, Tom Sturges, the Volunteer Organist, who was ably taken by Frederick Campbell, and the scene showing the church and the choir boys was very pretty. The majority of the minor parts were overdone, though the acting of Florence Malone, as "Grace Barnett," the saloon-keeper's daughter, was very good. The company carries a pair of lumber St. Bernard dogs, which are brought on the stage only in one scene, where the small daughter, Yoken, has been lost. The plot centers in the reconciliation of the preacher and his brother.

DANDRUFF CAUSED BY A GERM. A New Discovery That Kills the Germ and Prevents Baldness. Pretty nearly all the hair preparations for dandruff have some merit in alleviating itching of the scalp and in being a fairly good dressing for the hair, but there is only one that recognizes what causes dandruff, falling hair, and baldness, and that destroys the cause, a little germ—and that is New's Herpicide. This germ eats its way into the scalp, it digs up the scalp into little white scales. Unless it is destroyed there's no permanent stopping of falling hair and cure of dandruff. New's Herpicide kills the germ. Destroy the cause you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. Two sizes, 50c. and \$1. G. W.
