LIVING TOO HASTILY

CANADIAN WOMEN BREAK DOWN

Irregularities and Female Derangements Result from Lydia E. Pinkham's Vegetable Compound.

Owing to our mode and manner of living, and the nervous haste of every woman to accomplish just so much each day, it is said that there is not one

Miss Irene Haggood

woman in twenty-five but that suffers with some derangement of the female organism, and this is the secret of so many unhappy homes.

No woman can be amiable, light-hearted and happy, a joy to her husband and children, and perform the duties incumbent upon her, when she is suffering with backache, headache, nervousness, sleeplessness, bearing-down pains, displacements, spinal weakness or diseased organs.

Dear Mrs. Pinkham— "I suffered for four years with what the doctors called inflammation of the fallopian tubes, which is the most dangerous female disease, undermining the constitution and sapping the life forces. If you had seen me five years ago when I had been taking Lydia E. Pinkham's Vegetable Compound, I had noticed the sunken eyes, swollen condition, and compared the person with me as I am to-day, robust, healthy and well, you would wonder that I feel thankful to you and your wonderful medicine which restored me to new life and health in five months. My friends all marvel at the change it has made in me, but none can appreciate it better than I can myself." Miss Irene Haggood, 1022 Sandwich St., Windsor, Ont.

At the first indication of ill health, painful or irregular periods, pain in the side, headache, backache, bearing-down pains, nervousness, or the "blues," secure at once a bottle of Lydia E. Pinkham's Vegetable Compound and begin its use.

THOMAS KENNY.

Gathered to His Fathers at Old Age.

An old and respected resident of Ernestown, living on the York Road—two miles east of Odessa, has been gathered to his fathers, in the person of Thomas Kenny. In 1843, when twelve years old, he emigrated from Ireland with his parents. On attaining manhood he followed the lakes for a number of years. The family settled at Brighton, where he met and married Mary Hale. The young couple took up farming in Kingston township, subsequently removing to Ernestown, where he lived and died. Deceased had five children, of whom one died in infancy, and his wife predeceased him by about twenty years. Those who survive him are: Thomas, on the old homestead; John, now James, and a Hagerman, all living on farms within a mile of the old home. On Wednesday, Mr. Kenny got up early, as usual, and called the family to commence another day's work. After breakfast he complained of a feeling of weakness, and was helped into bed. There he remained for five short days before death claimed him at the ripe age of seventy-five years.

Thomas Kenny was recognized by all who knew him as a thoroughly honest and upright man, a good neighbor and a kind father. He was an Anglican in religion and his pastor, Rev. Mr. Dibb, who was with him constantly in his last illness, preached his funeral sermon. An immense concourse of friends and neighbors gathered to pay the last respects to one who was held in high esteem.

Edward Burt, a material witness in the case of Joseph Phillips, a former manager of the York Central, least to Toronto for Phillips' trial.

Premier Tweedie was sworn in on Tuesday as lieutenant-governor of New Brunswick and Attorney-General Pageley succeeded to the premiership.

Give Fair Play to

A really reliable remedy for headache—Zutoo. If you have got it into your head that Zutoo Tablets will hurt you, you are mistaken.

It isn't fair to us for you to judge Zutoo by the drug cure.

It isn't fair to yourself to suffer from headache, when this really harmless vegetable headache cure is within your reach.

The fair thing for both of us is—judge Zutoo on its merits—to test it. If you find it does not cure your headache, sick, nervous or otherwise, in twenty minutes, and leave you feeling good every time—no bad after effects, then discard it.

All we ask for Zutoo is fair play—that you give it a trial before concluding as to its merits or demerits.

Send trial tablets for nothing, or you can buy them at dealers in 10c. and 25c. packages.
